About your policy

Our agreement

When *you* pay or agree to pay *your* premium, we agree to provide *you* with insurance cover under the terms and conditions set out in this policy.

Your policy documents

When *you* buy *your* policy it will be made up of:

this Product
Disclosure
Statement (PDS)

any applicable
Supplementary Product
Disclosure Statement (SPDS)

*your Certificate
of Insurance*

The information in this PDS is current at the preparation date however it may change over time.

When we make a change that is materially adverse, either an SPDS or a new PDS will be provided at renewal.

If we make a change to information in the PDS that is not materially adverse, we may not notify *you* of the change and may not immediately update the PDS. However, *you* can contact *us* for a copy of the change at no charge by *us*.

This PDS does not consider *your* objectives, financial situation or needs. *You* should take into account *your* personal circumstances when considering the information provided to decide if the product is right for *you*.

Sending you documents

Documents relating to *your* insurance policy will be sent by post or email. Where *you* have been given the choice, they will be sent by *your* chosen delivery method and *you* can change *your* preference at any time.

It is *your* responsibility to make sure *your* contact details are current (including telephone number, email and mailing address where relevant) and *you* must update these as soon as they change.

About this PDS

This PDS tells *you* about the QBE Contents Insurance policy we provide including the conditions and exclusions of the cover.

Words in italics have special meanings that are explained in **Definitions** located at the back of this PDS.

The amounts stated in this policy include GST unless stated otherwise.

References to legislation

Legislation referenced in this policy includes subsequent legislation. Any term used in this *policy* and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

‘Subsequent legislation’ means:

- an act or regulation as amended, replaced or re-enacted;
- where an act or regulation has been repealed, the current equivalent act or regulation (Commonwealth, State or Territory) with materially the same object or purpose whether in whole or in part.

When there is more than one insured

When there is more than one *insured* on *your* policy, we may treat what any one of them says or does in relation to *your* policy or any claim under it, as said or done by each of the *insureds*. We may rely on a request from one *insured* to change or cancel *your* policy or tell *us* where a claim payment should be paid. Where a payment is made to one *insured* under this policy, we have no further obligations to any other *insured* regarding that payment.

About your policy

Interests in the policy

You must not transfer any interests in *your* policy without *our* written consent.

Any person whose interests *you've* told *us* about and *we've* noted on *your Certificate of Insurance* is bound by the terms of *your* policy in relation to any claim they make.

If *you* have used all or part of *your contents* as security for a loan from a lender, *we* may pay the lender all or part of the payment made when settling *your* claim. For more information, see **Lender's rights**.

Cooling-off period

If *you* change *your* mind about *your* policy and haven't made a claim, *you* can cancel it within 21 days of the start or renewal date and *we'll* give *you* a full refund. If *you* cancel *your* policy in these circumstances, *you* will have no cover under the policy.

You can also cancel *your* policy outside the cooling-off period, see **Cancelling your policy**.

Tell us when these things change

You must tell us as soon as reasonably possible if any of the following information on your *Certificate of Insurance* is incorrect or has changed.

Things you must tell us	If you are a renter	If you are a strata lot owner
You move into a new <i>home</i>	✓	✓
Your <i>home</i> will be <i>unoccupied</i> for any period longer than 90 consecutive days	✓	✓
The occupancy of your <i>home</i> changes, for example, you plan to rent all or part of it out to boarders, tenants or paying guests (including if you sub-let).	✓	✓
Someone else moves in so that there are three or more unrelated people living at the <i>property address</i>	✓	✗
You start operating a business or generating a regular income from the <i>property address</i> other than a home office taking up less than 20% of the <i>home</i> Note: Doing office work in a home office, including working from home for your employer is not considered to be operating a business	✓	✓
You're planning renovations, alterations, additions or repairs at the <i>property address</i> with a commercial value greater than \$20,000	✗	✓
For example, you're planning on installing a new kitchen.		
You want to increase your sum(s) insured	✓	✓
You want to add <i>Specified Contents</i> or <i>Portable Contents</i> or increase any specified limit	✓	✓

If you don't tell us, we may reduce or refuse to pay a claim.

When you tell us about something that has changed or request a change to your policy, we will assess the change to the risk in accordance with our underwriting rules and processes.

Changes to your cover

If *you* request any change to cover (e.g. *you* choose to add an optional cover or *you* increase *your* sum(s) insured) then, if *we* agree to the change, *we* will issue a new *Certificate of Insurance* and ask *you* for any additional premium. If an additional premium is required, the change will only be effective when:

- if *you're* paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- *you* have paid the additional premium by the due date *we* give *you*.

If *you* don't pay the additional premium by the due date then *we* will make reasonable efforts to contact *you* using the latest contact details *you* provided *us*. If *we* don't receive payment of the additional premium owed, the change will not be effective and *we* will confirm this by issuing a replacement *Certificate of Insurance*.

If *you* request any change to cover and *we* don't agree to the change, then *we* will let *you* know and the policy will continue unchanged.

Changes to your circumstances

If *you* tell *us* about a change in *your* insured *property's* address then *we* will consider it under *our* underwriting rules and processes, and depending on the underwriting assessment:

- if *we* do not agree to the change then *we* will cancel *your* policy and refund the unused portion of the premium.
- if *we* agree to the change, *we* will issue a new *Certificate of Insurance* and ask *you* for any additional premium, inform *you* of any change in terms, and any additional applicable excess(es). If an additional premium is required, the change will only be effective when:

- if *you're* paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- *you* have paid the additional premium by the due date *we* give *you*.

Contact *us* on **133 723** to discuss potential changes in circumstances when *you* know the details of the timing and nature of the changes before they happen, to find out in advance whether *we* will be able to continue to insure *your* contents.

Changes of these kinds sometimes alter the risk to *us* in such a significant way that it is no longer within *our* underwriting rules, and *we* would not have issued the policy if the request had been made before the start of the policy.

Changes to your circumstances (continued...)

If *you* don't pay the additional premium by the due date then we will make reasonable efforts to contact *you* using the latest contact details *you* provided *us*. If we don't receive payment of the additional premium owed, then we will cancel *your* policy. We will use the latest contact details *you* provided *us* to notify *you* of the cancellation date, which will depend on factors including:

- the amount of the additional premium payable for the change;
- the premium *you* have already paid on *your* policy; and
- the remaining *period of insurance*.

You will not receive a refund as we will use the premium *you* have already paid to delay the cancellation date by as long as possible. If *you* pay the additional premium after we notify *you* but before the cancellation date, then we will no longer need to cancel *your* policy.

If relevant, please see our Financial Hardship policy available at qbe.com/au

If *you* tell *us* about any of the following changes then we will cancel *your* policy and refund any unused portion of the premium:

- *you* start operating a business or generating a regular income from the *property address* other than a home office taking up less than 20% of the home;
- the occupancy of *your* home changes, for example, *you* plan to rent all or part of it out to boarders, tenants or paying guests; or
- *you* are a **renter** and someone else moves in so that there are three or more unrelated people living at the *property address*.

Doing office work in a home office, including working from home for *your* employer, is not considered to be operating a business.

If *you* tell *us* about any other change, we will consider it under *our* underwriting rules and processes at the time.

Your contents sums insured

It's important to insure for the right contents sum insured because, if *you* underinsure, it could be financially devastating. For example, if *your contents* were *damaged* significantly in a fire, and *your* sum insured wasn't enough to fully replace *your contents*, *you'd* have to pay the shortfall yourself.

Your contents sum insured, should be the cost to replace all *your contents* at today's prices so that *you* have adequate cover in the event of a *total loss*.

This is sometimes known as a 'new for old' replacement policy because, if *your contents* are stolen or *damaged* and unable to be repaired, *your* policy will cover the purchase of a new equivalent item, where possible.

The amount *you* select is called *your* 'contents sum insured' - it'll be shown on *your Certificate of Insurance*.

Note: If *you* are:

- a **strata lot owner** and *you* have *fixtures* which the *strata body corporate* is not required by law or its constitution to insure; or
- a **renter** and *you* have *fixtures* for which *you* are responsible under *your* lease agreement that complies with the relevant residential tenancy law and/or which are installed by *you* for *your* own use,

remember to include the new replacement value of these *fixtures* in *your* contents sum insured.

Changing your contents sum insured

You should consider updating *your* contents sum insured if:

- *you* determine *you* are underinsured after reassessing the value of *your contents* while making an inventory of *your* possessions;
- *you* buy items that increase the value of *your contents*; or

Note: Limits apply to some *contents* items.
See **Contents with limits**.

If *you're* a **strata lot owner**, *you* should also consider changing *your* contents sum insured when *you* make any changes to *fixtures* which the *strata body corporate* is not required by law or its constitution to insure, for example, if *you* install a new kitchen.

Changing your contents sum insured (continued...)

- *you* buy *jewellery*, watches, *artworks*, rugs or *antiques*, or *you* buy or add to a *collection* worth more than the limit set out in **Contents with limits**.

Whilst *you* should take care not to be underinsured, *you* should also consider reducing *your* contents sum insured if *you* sell or dispose of items without replacing them.

Contents sum insured adjustment feature

We'll increase *your* sum insured by 0.5% for each whole calendar month until *you* next renew *your* policy to help with increases in replacement costs.

We will not increase *your* sum insured for any *Specified Contents* or *Portable Contents* covered under *your* policy.

For an example of how the contents sum insured adjustment feature works in practice, see *our* Contents Insurance Additional Information Guide at **qbe.com/au** or call *us* on **133 723** for a copy at no charge by *us*.

Your contents sum insured at renewal

Normally, before *your* policy ends each year, *we'll* send a renewal invitation and let *you* know the renewal premium. *We* may increase *your* sum insured, to allow for increases in replacement costs. This may not be the same as 12 x 0.5% under the **Contents sum insured adjustment feature**.

You'll still need to check *your* sum insured to make sure the amount is appropriate and that *you're* not underinsured.

We will not automatically adjust the sum(s) insured for any *Specified Contents* or *Portable Contents* covered under *your* policy.

Over-insuring

If *you* over-insure *your contents* and they are a *total loss*, *we* will only pay the reasonable cost to replace them to a condition substantially the same as, but not better than, when new.

Your contents cover

What you're covered for

We'll cover you:

- for *damage to your contents* caused by the Insured Events listed in this PDS;
- under Standard Features;
- under the Accidental Damage option and/or the Portable Contents option if *you've* chosen to add it to *your* policy and it's shown on *your Certificate of Insurance*; and
- for legal liability caused by an *occurrence* during the *period of insurance* anywhere in the world.

See **What do we mean by contents?** in Definitions

There are situations *you're* not covered for. These are set out throughout the PDS. Also, see **General Exclusions**.

Contents with limits

Some *contents* items have standard policy limits. If *you* make a claim for loss of or *damage* to one of the items in the table on the next page, we won't pay more than the limit shown unless:

- *you* have told *us* about the item and the cost to replace it (see **Can the limit be increased?** in the table on the next page); and
- we have agreed to cover the item for more than the standard policy limit; and
- it is shown as a *Specified Contents* item on *your Certificate of Insurance*.

If *you* have an item that could fall under more than one category in the table on the next page, we will treat that item as though it is in the category with the lowest applicable limit.

For example, *jewellery*, watches and *collections* are not considered *antiques* under this policy, even if they are over 100 years old. The lower limits in the table for *jewellery* and watches and *collections* apply to these items, not the *antiques* limit.

Contents with Limits (continued...)

If the standard policy limit will not be enough to cover the repair or replacement of a particular item, *you* should tell *us* about the item and the cost to replace it so that we can consider whether to agree to cover it for more than the standard policy limit.

Item	Standard policy limit	Can the limit be increased?
Jewellery and watches	\$2,500 per item, set or pair	✓
Collections	\$5,000 per collection	✓
Artworks, rugs and antiques Note: See the definitions of 'artworks' and 'antiques' as they have special meanings in this PDS	\$20,000 per item, set or pair	✓
Cash, vouchers, coupons, gift cards, money orders, negotiable financial documents, bullion, ingots, uncut and/or unset gemstones	\$800 in total	✗
Items used by <i>you</i> or <i>your family</i> for earning any income (but not including items ordinarily used in a home office)	\$5,000 in total	✗
Accessories, appliances or spare parts for motor vehicles, caravans, trailers and watercraft (but there is no cover when they are in, on or attached to any of them)	\$1,250 in total	✗
Model aircraft or drones Note: Other limitations and exclusions apply to <i>model aircraft and drones</i> relating to size, weight and usage. See Definitions and General Exclusions .	\$1,500 per model aircraft or drone	✗
Food and prescribed medicines that must be refrigerated or frozen	\$500 in total, once in a period of insurance	✗

Specified Contents

Specified Contents are items we've agreed to cover for more than the standard policy limits that would otherwise apply.

The most we'll pay for your *Specified Contents* items is the Specified item limit shown on your *Certificate of Insurance*.

Where are your contents covered?

Your contents are usually only covered at *your property address*. Limits and exclusions apply to *contents* and *Portable Contents* wherever they're covered, as set out throughout the PDS.

There are some specific limits and exclusions for *contents* in the *open air* at the *property address* under the Insured Events: **Theft or burglary** and **Storm, storm surge, rain, hail or flood**.

There is some limited cover away from the *property address* in particular situations where *you* move to a new permanent residence. Please see details in the Standard Features **Contents in transit to your new home** and **Cover when you move to your new home**.

If *you* have *Portable Contents* shown on your *Certificate of Insurance*, they are generally covered anywhere in Australia and New Zealand, and anywhere in the world for up to 90 days. There are some specific exclusions that apply to *Portable Contents*, including when they are in transit to a new permanent residence. See **What you're not covered for** under the *Portable Contents* option.

Where are your Contents covered? (continued...)

The table below is a quick guide on where certain *contents* items are covered:

Location		Contents	Portable Contents (optional)
At the property address	Inside <i>your home</i>	✓	✓
	In the <i>open air</i>	✓	✓
Away from the property address	In transit to <i>your</i> new home	✓	✓

We cover *damage* to *your insured contents* caused directly by the following Insured Events that occur during the *period of insurance*. For most Insured Events, there are specific situations *you're* not covered for. These are set out below in the column headed **We won't cover**. *You* are also not covered for anything set out in the **General Exclusions**.

Your contents cover

Unlike the Standard Features in the previous table, *you* can make a claim for the following Standard Features even if the claim is not connected to an *incident* for which a claim has already been accepted. They are payable as part of *your* contents sum insured. The loss or *damage* must occur during the *period of insurance*.

In some cases, *you* will have to pay an excess when we have agreed to pay one or more of these Standard Features. This is indicated in the table below. Where we state that no excess is payable, this relates only to the Standard Feature. If *you* are also claiming for *damage* where an excess is payable, then *you* will still need to pay an excess for that claim.

For example, if *your* food or prescribed medicines in *your* fridge or freezer are spoiled due to a failure of electricity supply and they're the only things that were affected, *you* will not have to pay an excess under the Standard Feature **Food Spoilage**. If, however, *your* food or prescribed medicines were spoiled due to *your* fridge or freezer motor burning out by electric current and we agree to pay a claim for the Insured Event **Burnout of electric motors**, then *you* will have to pay an excess for that claim.

Options you can add to your policy

Accidental Damage option

If we agree, *you* can choose to add the Accidental Damage option for an additional premium. This cover applies to *accidental* loss or *damage* occurring at the *property address* during the *period of insurance*.

This covers *you* for things like where *your* friend's child who's visiting *accidentally* smashes *your* television screen with a ball.

Whether we agree to provide the Accidental Damage option will depend on *our* underwriting rules and processes at the time. If the option has been added to *your* policy, it will be shown on *your Certificate of Insurance*.

If *you* choose to add the option during the *period of insurance*, it will only apply:

- once *you've* paid us the additional premium or, if *you're* paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and
- from the effective date shown on *your Certificate of Insurance*.

What you're covered for

We'll cover:

- *accidental damage* to *your contents*, including *damage* caused by *power surge* confirmed by an appropriately qualified contractor; and
- *accidental loss* of *your contents* that can't be recovered after *you* have taken reasonable steps to try to find or recover them.

If *you* think *you* may have a claim for *power surge*, please call us on **133 723** before *you* contact anyone to make repairs.

You are also covered for some things that wouldn't be covered under the following Insured Events: **Fire, Theft or burglary, Accidental breakage of glass or sanitary fixtures** and **Storm, storm surge, rain, hail or flood**. See these Insured Events for details of this additional cover.

What you're not covered for

We will not cover *damage* caused by anything excluded under any section of *your* policy, including:

- anything in the '**We won't cover**' column of the Insured Events table, except where specifically noted as being covered under the Accidental Damage option. See the Insured Events **Fire, Theft or burglary, Accidental breakage of glass or sanitary fixtures** and **Storm, storm surge, rain, hail or flood**;
- anything in the '**But not...**' column of the Standard Features tables; and
- the **General Exclusions**

We will not cover *damage* to any of the following items while being used:

- power-driven items;
- *sporting equipment*;
- tools and equipment used by *you* or *your family* for earning any income;
- *bicycles*;
- *personal mobility devices*;
- *watercraft*; and
- *model aircraft or drones*.

Portable Contents option

The Portable Contents option covers personal items that are designed to be used, worn or carried away from home. Under this option, we only cover items that:

- fit into a Portable Contents category. See the following **Category** list; and
- would be covered as *contents*. See **What do we mean by contents?** in Definitions.

You can choose to add the Portable Contents option for an additional premium if:

- the *property address* is the place of *your* permanent residence; and
- we have agreed to provide the Portable Contents option.

Whether *we* agree to provide the option will depend on *our* underwriting rules and processes at the time. If the Portable Contents option has been added to *your* policy, it will be shown on *your Certificate of Insurance*.

The Portable Contents option is not available for holiday homes.

Portable Contents option (continued...)

If *you* choose to add the option during the *period of insurance*, it will only apply:

- once *you've* paid *us* the additional premium or, if *you're* paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and
- from the effective date shown on *your Certificate of Insurance*.

Under this option *you* can choose 'Portable Contents - Categories' cover, Specified Portable Contents or both.

You can choose 'Portable Contents - Categories' cover for the categories listed below. *You* can choose the amount of cover *you* need - we call this *your* 'Category limit'. The Category limit shown on *your Certificate of Insurance* is the maximum we will pay in total for all items in that category which are lost or *damaged* in any one *incident*.

It also does not include drugs or other prescribed medication. See the definition of 'medical or health items' for further details.

Collections

If *you* would like a Category limit which is more than the amount we would accept, *we'll* tell *you* and *you* can tell *us* about the items and the amount *you* want them covered for. If we have agreed to cover them, they'll be shown as Specified Portable Contents on *your Certificate of Insurance*.

What you're covered for

We'll cover your *Portable Contents* for:

Legal liability

In this legal liability section only, the following words and terms appear in italics and have these special meanings:

'you' or 'your' means the *insured*, and any *family* members who normally reside at the *property address*.

'damage to property' means physical loss, destruction or damage to physical property belonging to someone other than *you*, including the loss of its use.

'personal injury' means physical, mental or psychological harm including disease or disability, suffered by someone other than *you*, and/or death.

'occurrence' means an event, including continuous or repeated exposure to substantially the same general conditions which results in *personal injury* or *damage to property*. We regard all *personal injury* or *damage to property* arising from one original source or cause as arising from one *occurrence*.

We'll cover *your* legal liability anywhere in the world including at the *property address* for:

- *personal injury*; and
- *damage to property*,

arising from an *occurrence* during the *period of insurance*.

For example, *you* may be found liable to pay compensation if *you* have an accident while riding *your bicycle* and *you* injure someone or when a guest falls over *your* child's tricycle and is injured when visiting *your home*.

The most we'll pay

The most we'll pay for *your* legal liability arising from any one *occurrence* or series of related *occurrences* is \$30 million. This includes GST and any legal costs of investigating, defending or settling the claim that we first approve.

Note: We have the right to appoint *our* lawyers to represent *you*. See **Claims administration, going to court, recovery action and legal liability claims**.

No excess applies for legal liability claims.

If you're also claiming for *damage to your contents* or *Portable Contents* as a result of the same event, then *you* will still need to pay an excess for that claim.

Business activities at the property address

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, that is caused by or arises from any business or income earning activities being conducted at the *property address*. This exclusion does not apply if the activity is just the use of an office taking up less than 20% of *your home*.

Doing office work in a home office, including working from home for *your* employer is not considered to be a business or income earning activity.

Reasonable actions and precautions

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, to the extent that it is caused by or arises from *you* or *your family*:

- not taking reasonable steps to minimise the cost of any claim under *your* policy; or
- not complying with all laws relating to the safety of a person or property.

Condition of your home

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability caused by or arising from:

- *your* failure to:
 - fix *your* property affected by: or
 - report to the owner of the property,
 any of the following:

- *your* failure to report to the owner of the property if *your home* is not structurally sound, watertight, secure, well maintained and in a good state of repair, as soon as is reasonable after *you* become aware of the issue, or a reasonable person in the circumstances would have become aware of it.

If *you* are a **renter**, owner of the property means the landlord. If *you* are a **strata lot owner**, owner of the property means the *strata body corporate* or equivalent.

Condition of your home (continued...)

However, this **Condition of your home** exclusion applies only to the extent that the relevant claim or loss, *damage*, injury or death, cost or legal liability is caused by, arises from or is made worse by one or more of the above circumstances, and *you* knew or a reasonable person in the circumstances would have known that the relevant condition of the home may cause, give rise to or make worse the claim or loss, *damage*, injury or death, cost or legal liability and *you* did not report it to the owner of the property and a reasonable person in the circumstances would have reported it to the owner of the property.

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability caused by or arising from renovations, alterations, additions or repairs undertaken or authorised by *you*, where *you* were aware or a reasonable person in the circumstances would have been aware that the work did not comply with building laws or regulations and in addition:

- gradual deterioration due to action of light, air, sand, sea salt, water, or atmospheric or climatic conditions.

For example, the breakdown of grouting or tile adhesive over time.

Loss or damage indirectly related to your claim

This policy only covers claims, losses and costs directly related to *damage* from an Insured Event (such as the costs of repair or replacement) unless additional cover is specifically stated. Any other claims, losses and costs that are not directly related to *damage* from an Insured Event are not covered, such as but not limited to:

- additional travel costs because *your home* is *unliveable* due to an *incident*;
- if *you* are a **strata lot owner**, any decrease in the value of *your* strata lot, similar strata community title lot or *your* share in relation to company title;
- any diminished value of *your* property after it's been repaired;
- any intangible losses including intellectual or sentimental value;

Loss or damage indirectly related to your claim (continued...)

However, if the claim is covered under **Legal liability**, and *you* are ordered by a court or required by a settlement made in accordance with this policy to pay for a third party's indirect losses, we will cover those indirect losses.

- insects, vermin or rodents, however, we will cover resultant *damage* to the extent it's covered under the Insured Events **Fire** or **Escape of water or other liquid**; 

For example, if *you* empty *your* swimming pool or spa, the pressure exerted on it by water in the surrounding ground due to heavy rain, can cause it to move, warp or lift out of the ground.

For example, we will cover *damage* caused by fire spreading from an electrical fault.

For example, we will cover *damage* caused by fire due to a rat chewing through an electrical wire.

Other loss or damage (continued...)

- roots of trees, plants or shrubs, however, we will cover resultant *damage* to the extent it's covered under the Insured Event **Escape of water or other liquid**;

Other loss or damage (continued...)

- fees payable in relation to:
 - repairing any part of *your home* where *you* were aware or a reasonable person in the circumstances would have been aware that they were illegally constructed. - a nuclear weapon, the use, existence or escape of nuclear fuel, waste, radiation or material, or nuclear fission or fusion;

Sanctions limitation and exclusion

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that to do so may expose *us* to any sanction, prohibition or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

Laws impacting cover

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that it is unlawful for *us* to do so.

Multiple causes

Where loss, *damage*, injury or death has two or more causes and at least one of those causes is excluded by this policy, we will not provide any cover, pay any claim or provide any benefit under this policy.

Claims

This section explains *our* claims process. For examples of how we pay claims under this policy, read *our* Contents Insurance Additional Information Guide at qbe.com/au or call *us* on **133 723** for a copy at no charge by *us*.

We handle many contents insurance claims every day. We know that some of *our* customers face difficult circumstances when making a claim on their contents insurance policy. In some cases, *your* circumstances might prevent *you* from strictly complying with policy terms and conditions. For example, if *you* are badly injured in an *incident* that also results in a claim under this policy, then *you* may not be able to provide the assistance we normally need to process *your* claim. If this applies to *you*, then *you* or *your family* should speak to *us* about *your* situation. We will consider *your* situation and see how we can help *you*.

If relevant, please see *our* Financial Hardship and/or Family and Domestic Violence Customer Support policies available at qbe.com/au

You can ask *us* if *your* policy covers a particular loss before *you* actually make a claim.

What you must do after an incident

As soon as reasonably possible after an *incident* *you* must:

- take reasonable steps to:
 - prevent further loss or *damage* to *your* property and keep it secure;
 - get the full name and address of each person involved; and
- report the *incident* to police if something was lost, stolen or deliberately *damaged* and provide details of the report to *us*. We may need the police report number to process *your* claim or *our* recovery action if there is a third party who is liable for *your* loss.

As soon as *you* can after the *incident*, call *us* on **133 723** to make *your* claim, or lodge it online at qbe.com/au If the situation requires urgent attention, please call *us*. We're available 24 hours, seven days a week.

If, as a result of an *incident*, *you* are in urgent financial need of the benefits *you're* entitled to under *your* policy, please call *us* as soon as possible to see how we can assist *you*.

What you must not do after an incident

We reserve the right to reduce *your* claim payment if *your* actions after an *incident* increase the loss or liability. If *your* actions prevent *us* from recovering a claim payment from another person who would be liable to *you* for a loss or liability that *you* suffer, then we may refuse to pay *your* claim. To avoid *your* claim being delayed, reduced or refused *you* must not:

- admit fault or liability, except in a court or to police. Call *us* if *you* would like guidance;
- offer or negotiate to settle a claim against *you*;
- unnecessarily delay notifying *us* of the *incident*;
- enter into any agreement with anyone else which could limit the amount that could be recovered from them;
- agree not to seek compensation from any person liable to compensate *you*;
- authorise repairs without *our* consent. If *you* do, *we* may not cover them; or
- dispose of *damaged* items unless *we've* first agreed to this. This is so *we* can establish the cause or extent of the *damage* to quickly and accurately assess *your* claim. Call *us* on **133 723** if *you* would like guidance including where there is hazardous material present.

See **Preventing our right of recovery.**

Cooperating with us

You must provide reasonable assistance to *us*, including:

- being truthful and frank at all times;
- providing *us* with relevant information and documents *we* ask for, such as proof of purchase or repair quotes, if needed;
- telling *us* as soon as reasonably possible if *you've* been contacted by someone about an *incident*, such as another insurer or a third party's lawyer;
- attending one or more interviews about the claim if *we* ask *you* to;
- appearing in court, giving evidence or providing a formal statement, if needed;
- making *your* property available for *us* to inspect or examine; and
- responding to *our* requests as soon as reasonably possible.

Cooperating with us (continued...)

If *you* don't cooperate in any of these ways, it may delay *your* claim, or *we* may reduce or refuse to pay *your* claim.

At all times *you* must refrain from behaving in a way that's improper, hostile or threatening towards *us*, *our* representatives, *our* suppliers or third parties involved in an *incident*. Such behaviour may result in *our* not inviting *you* to renew *your* policy when it expires.

Contribution and other insurance

When making a claim, *you* must notify *us* of any other insurance that *you're* aware will or may, whether in whole or in part, cover any loss insured under *your* policy.

If at the time of any loss, *damage* or liability there's any other insurance (whether issued to *you* or any other person) which covers the same loss, *damage* or liability *you* must provide *us* with any reasonable assistance *we* require to make a claim for contribution from any other insurer(s).

Salvage

If *we* pay a claim by replacing or paying to replace any items or materials, *we're* entitled to obtain and retain any items or materials salvaged or recovered. *We* may sell the items or materials and keep the proceeds. If *you* ask *us*, *we* may agree to sell the items or materials to *you*, provided *you* agree to pay the fair market value. This is the price *we* could get if *we* sold the items or materials to someone else who is willing and able to buy them. If there is no market for the items or materials, then *we* will base the amount on enquiries made to appropriately experienced or qualified third party professionals.

What happens to your contents sum(s) insured after a partial loss?

Following payment of a claim, other than for a *total loss* claim, *your* sum(s) insured will remain unchanged unless *you* request otherwise.

What happens after a total loss?

Cover ends when *your* claim has been accepted. However, *we'll* still pay for the following Standard Features if they apply to *your cover*, they are directly connected to the *total loss* and they continue to be relevant:

- **Temporary accommodation costs**
- **Environmental upgrade**
- **Damage to common property causing extraordinary payments or special levy**
- **Administrative fund contributions**

Specified Contents and Specified Portable Contents

Cover ends for the item when *your* claim has been accepted.

Portable Contents – Categories

Cover ends for the category when *your* claim has been accepted and *we* pay the full category limit to repair or replace the item(s).

If *you* want to insure any replacement items or reinstate a category limit, then *you* will need to ask *us*. If *we* agree and *you* pay the additional premium, it will be shown on *your Certificate of Insurance*.

Your premium after a total loss

If *you* paid *your* premium annually there is no premium refund.

If *you* paid in instalments – *you* will still need to pay the total of any remaining premium instalments for the *period of insurance*. If *your* policy comes to an end, depending on how *we* settle *your* claim, *we* will either deduct the total of all remaining instalments from *your* claim settlement or *we* will ask *you* to pay the total to *us*.

The total premium is payable and non-refundable because *you* have received the benefit of the cover *we* provide under the policy.

Lender's rights

If *we're* settling *your* claim by paying *you* (instead of paying *our* repairer or other service providers), and *you* have used all or part of *your contents* as security for a loan from a lender, we reserve the right to pay all or part of the payment to the lender.

The amount we pay to the lender will be the lesser of:

- the amount owing to them (with any balance paid to *you*); or
- the amount we have agreed to pay in settlement of the secured property.

A payment made to a lender will satisfy *our* obligation to *you* for the amount paid.

For more information about other interests in *your* policy, see **Interests in the policy**.

Claim payments and GST

We pay claims inclusive of GST unless the owner of the property is a business which is, or needs to be, registered for GST. In that case, *we'll* reduce the amount we pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim we pay.

There may be other taxation implications affecting *you*, depending upon *your* own circumstances. We recommend *you* seek professional advice.

Unless we say otherwise, all amounts in *your* policy are inclusive of GST.

Claims administration, going to court, recovery action and legal liability claims

If *you* suffer loss or *damage* due to an *incident* for which someone else is responsible, *you* may have a legal right to recover some or all of the loss or *damage* from that person, including by taking legal action against them. When we pay a claim under *your* policy, we have the right to exercise *your* legal rights in *your* name against the person responsible for the loss or *damage*. We'll take full control of the administration, conduct or settlement of the recovery, including any legal defence.

When we do any of these things in *your* name, it will be at *our* expense, however *you'll* need to give *us* reasonable assistance. This may include following *our* directions in relation to the conduct of any legal proceedings even after a claim has been paid. *You* must not enter into any agreement with anyone else which could limit the amount that could be recovered, including joining class action proceedings, without *our* permission.

Claims administration, going to court, recovery action and legal liability claims (continued...)

When we pay a claim and some of *your* loss isn't covered by *your* policy, we may offer to try to recover that loss for *you* when we take any steps to recover the covered loss. We can only do so if *you* agree to give *us* documents and statements that support *your* loss and agree with *us* on how *we'll* handle that recovery. *You* may also need to contribute to the associated costs if, to recover the loss for *you*, we need to take additional steps that we wouldn't otherwise need to take.

If we successfully recover more than we paid for *your* claim under *your* policy, we will first keep the amount we paid for *your* claim and the amounts we paid in administrative and legal costs spent towards making the recovery. If there is any amount remaining after this, we will pay *you* the remainder to compensate *you* for loss that was not insured. Finally, we will keep any remaining amounts.

If *you've* received a benefit under *your* policy that *you* were not entitled to, we reserve the right to recover from *you* the amount we have paid. If we decline a claim for fraud, we reserve the right to recover any amounts we paid to *you* under the policy as well as *our* reasonable administration, investigation and legal costs from anyone at fault in relation to the fraud.

When we cover *you* for a legal liability claim, we may:

- arrange for a lawyer to represent *you* or we may act on *your* behalf;
- attempt to settle the claim; and/or
- defend the claim.

We will decide whether to defend or settle the claim and how much to pay to settle the claim.

Preventing our right of recovery

If *you've* agreed with or told someone who caused *you* loss, *damage* or liability covered by *your* policy that *you* won't hold them responsible then, to the extent *we've* been prejudiced by this act, we won't cover *you* for that loss, *damage* or liability.

Providing proof of ownership and value

In some cases we will ask *you* for proof that *you* owned the items *you're* claiming for and for documents or other information to assist *us* in assessing their value. Whether we ask for proof and, if we do, the types of documents we ask for, may depend on the situation. So that *your* claim can be assessed, make sure *you* keep things like:

- receipts or tax invoices;
- credit card or bank statements;
- guarantee or warranty certificates;
- valuation certificates for *jewellery, collections* and *artworks*;
- photographs or video film of the item(s) in *your home* or being worn by *you*.

If, however, *your* proof of ownership was destroyed in a fire, we may accept other evidence of ownership.

If, after reviewing all the evidence about *your* claim that has been provided to *us*, we're not satisfied that *you* actually owned the items, we may refuse to pay *your* claim.

How we settle claims

We only pay once for loss or *damage* caused by the same event covered by this policy even if that loss or *damage* is covered under more than one section of the policy.

How we settle claims for contents (excluding fixtures)

If a *damaged* item can be repaired, we'll normally pay *our* repairer the necessary and *reasonable* cost to repair *your* contents item to a condition substantially the same as, but not better than, when new.

If it's not economical to repair the item, or it's been lost or stolen, we'll replace the item with a new one that's substantially the same where it's practical to do so.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

Claims

If you don't use our repairer, or we can't repair or replace the item

We will pay *you* the *reasonable* cost to repair or replace the lost, stolen or *damaged contents* to a condition substantially the same as, but not better than when new if, for example:

- *you* decide to replace those *contents* with items that are not substantially the same;
- *you* decide *you* do not want the *contents* repaired or replaced;
- it's not practical for *us* to repair or replace *your contents* due to the age, style, type, condition or nature of *your contents* or materials or skills needed for repairs are not readily and locally available; or
- *you* choose to go with a repairer of *your* choice.

If *you* don't want an item repaired we will not pay to replace it; *we'll* pay what it would have cost to repair it. See **How the amount we'll pay is determined if the item is repairable**, below.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

How the amount we'll pay is determined if the item is repairable

To assess the necessary work required to repair *damaged contents* items *we* will, where possible, obtain a report or quote from *our* repairer. If *you* agree with this, *we* will then pay *you* the amount quoted by *our* repairer.

If *you're* not happy with the amount quoted by *our* repairer, or if *we're* unable to obtain a report or quote from *our* repairer, *we'll* ask *you* to provide *us* with a report or quote from a repairer of *your* choice for *us* to consider. *We'll* review this to ensure it covers the necessary work and is within market rates. To determine this, *we'll* consider the following:

- *our* repairer's report or quote (if *we* were able to obtain it);
- *our* own data and experience with similar repairs;
- third party cost estimation sources; and
- *your* circumstances, including the location and attributes of *your contents*.

Following *our* review, *we'll* do one of the following:

- If *we* believe *your* repairer's report or quote covers the necessary work and is within market rates, *we'll* pay *you* the amount quoted by them.

How the amount we'll pay is determined if the item is repairable (continued...)

- If we believe *your* repairer's report or quote either omits or overstates aspects of the work required or their quote is significantly above market rates, *we'll* discuss this with *you* and/or them and seek agreement on the *report* or quote.
 - If *we* come to an agreement with *you* or *your* repairer, *we'll* pay *you* the amount agreed.
 - If *we're* still unable to agree with *you* on the amount *we'll* pay *you*, *we'll* attempt to obtain a quote or report from an alternative repairer *we* both agree on, and *we'll* review this together with *you* to arrive at a final quote. If *we're* able to come to an agreement, *we'll* pay *you* the amount quoted by them.
 - If *we're* unable to agree on an alternative repairer, *we* believe the alternative repairer's report or quote either omits or overstates key aspects of the work required, or *we* believe their quote is significantly above market rates, *we'll* refer *you* to *our* complaints process.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most *we* will pay is the item limit or sum insured.

How the amount we'll pay is determined if the item is not repairable

For replacement items that are readily available including tools, devices and appliances, *we* will pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time *we* settle the claim.

If an item is not readily available, *we'll* pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time *we* settle the claim for an equivalent item with similar specifications and functionality.

How the amount we'll pay is determined if the item can't be replaced

If *we* can't repair the item, or it can't be replaced because of its antiquity or rarity, *we'll* pay the lesser of:

- the standard policy limit or, if it's a *Specified Contents* item or a *Specified Portable Contents* item, the specified limit noted on *your Certificate of Insurance*; and
- the fair market value based on enquiries made to independent and appropriately experienced or qualified professionals.

If *your* contents sum insured is inadequate, *we* will only pay up to the sum insured or any applicable standard policy limits.

The most we'll pay

The most *we'll* pay in total for *your contents* is *your* contents sum insured, plus any Standard Features payable on top of the contents sum insured, less any applicable excesses.

*Your contents sum insured may be increased through the application of the **Contents sum insured adjustment feature**.*

The most *we'll* pay in total for *your Portable Contents* is *your* Portable Contents sum insured.

There are limits on what *we'll* pay for some individual items:

- the standard policy limit, where applicable (see **Contents with limits**);
- the specified item limit shown on *your Certificate of Insurance* for items *you* have listed as *Specified Contents*;
- the category limit shown on *your Certificate of Insurance* for Portable Contents – Categories; or

If *you* have not specified an item that is worth more than the standard policy limit, to see how *we* will apply any applicable excess(es) see *our* Contents Insurance Additional Information Guide at **qbe.com/au** or call *us* on **133 723** for a copy at no charge by *us*.

- the specified item sum insured shown on *your Certificate of Insurance* for items *you* have listed as *Specified Portable Contents*,

less any applicable excess(es).

We treat the following items differently when *we* pay *your* claim:

Item	What we pay
------	-------------

Photographs and videos	<i>We'll</i> pay for reproducing videos and hard copy photographs <i>you</i> have purchased from, or had produced by, a professional photographic business if the necessary electronic data is available. <i>We</i> do not pay to reconstruct any circumstances or conditions.

Sets or pairs	If <i>we</i> can't repair an item which forms part of a <i>set or pair</i> or it can't be replaced because: <ul style="list-style-type: none">• <i>we're</i> unable to reasonably match it; or• the functionality of the <i>set or pair</i> is lost (e.g. hearing aids/<i>sporting equipment</i>) <i>you</i> can choose to either: <ul style="list-style-type: none">• surrender the remaining item(s) to <i>us</i>, in which case <i>we'll</i> pay the replacement value of the <i>set or pair</i>, up to any applicable limit; or
----------------------	--

Item	What we pay
Sets or pairs (continued...)	<ul style="list-style-type: none"> keep the remaining item(s), in which case we'll pay the replacement value of the lost or <i>damaged</i> item. <p>We don't allow for any special value the item may have as forming part of a <i>set or pair</i>, or for any reduction in value of the remaining part(s).</p>

How we settle claims for fixtures

We'll normally pay *our* supplier the necessary and *reasonable cost* to repair or replace the *damaged fixtures* to a condition substantially the same as, but not better than, when new.

If you don't use our supplier

We will pay *you* the *reasonable cost* to repair or replace the *damaged* parts of *your fixtures* to a condition substantially the same as but not better than when new if, for example:

- it's not practical for *us* to repair or replace *your fixtures* due to the age, policy limit, inadequate sum insured, construction or condition of *your fixtures* or if materials needed for repairs are not readily available; or
- you* choose to go with a supplier (which includes a repairer or builder) of *your* choice.

To assess the cost of the necessary work required to repair or replace the *damaged* parts of *your fixtures* we will, where possible, obtain a *scope of works* and a quote from *our* supplier. If *you* agree with this, we will then pay *you* the amount quoted by *our* supplier.

If *you're* not happy with the amount quoted by *our* supplier, or if *we're* unable to obtain a *scope of works* from *our* supplier, *we'll* ask *you* to provide *us* with a fully itemised *scope of works* and quote from a supplier of *your* choice for *us* to consider. *We'll* review these to ensure they cover the necessary work and are within market rates. To determine this, *we'll* consider the following:

- our* supplier's *scope of works* and quote (if *we* were able to obtain it);
- our* own data and experience with similar repairs or replacement;
- third party cost estimation sources; and
- your* circumstances, including the location and attributes of *your fixtures*.

Claims

If you don't use our supplier (continued...)

Following *our* review, *we'll* do one of the following:

- If *we* believe *your* supplier's *scope of works* and quote cover the necessary work and are within market rates, *we'll* pay *you* the amount quoted by them.
- If *we* believe *your* supplier's *scope of works* either omits or overstates aspects of the work required or their quote is significantly above market rates, *we'll* discuss this with *you* and/or them and seek agreement on the *scope of works* and quote.
 - If *we* come to an agreement with *you* or *your* supplier, *we'll* pay *you* the amount agreed.
 - If *we're* still unable to agree with *you* on the amount *we'll* pay *you*, *we'll* attempt to obtain a *scope of works*, quote or report (as required) from an alternative supplier *we* both agree on, and *we'll* review these together with *you* to arrive at a final *scope of works* and quote. If *we're* able to come to an agreement, *we'll* pay *you* the amount quoted by them.
 - If *we're* unable to agree on an alternative supplier, *we* believe the alternative supplier's *scope of work* either omits or overstates key aspects of the work required, or *we* believe their quote is significantly above market rates, *we'll* refer *you* to *our* complaints process.

Whether *we* arrange the repairs or replacement or pay *you* the cost to complete the repairs or replacement, *we'll* also pay the necessary and *reasonable costs* as part of *your* contents sum insured:

- for demolition;
- to remove debris from *your property address*; and
- to comply with current building codes and statutory requirements.

We won't pay for any undamaged parts of *your fixtures*, even to restore those undamaged parts to achieve a uniform appearance other than to the extent set out in the table below:

Damage to internal flooring

We'll pay to repair or replace up to an existing change or join in the carpet, linoleum, floating floor or other fixed floor covering, or to an archway, doorway or similar opening, whichever is closest to the *damage*.

We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide.

We won't pay to replace any undamaged materials in any other adjoining rooms, hallways or stairwells.

This is a common width of a doorway.

Damage to internal walls

We'll pay to repair or replace the *damaged wall(s)*. We won't pay to replace the wall covering, for example wallpaper or paint on any adjoining walls or in any adjoining rooms, hallways or stairwells.

Damage to internal fixtures/ fittings

We'll pay to repair or replace fitted cupboards, sections of cabinets and sections of benchtops if they are continuously joined to, and made of the same material as, the *damaged* part.

Matching materials (applicable to strata lot owners only)

If part of *your home* is *damaged* by an Insured Event and we pay *your* claim, we'll match existing materials if they're commercially available in Australia when we repair or replace the *damaged* property.

If not, we'll use the nearest equivalent materials that we can source locally. In this case, if the *damage* is inside *your home*, we will also pay up to \$1,000 to replace undamaged parts of the same room, hallway or stairwell (to the nearest doorway, archway, or other opening) so that it matches or complements the materials we've used. We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide (this is a common width of a doorway). If *you're* not satisfied with the nearest equivalent materials we source, we will pay *you* what it would have cost to repair or replace with these materials.

If any replacement of undamaged property under this section needs the approval of a *strata body corporate*, then we only pay for the replacement (or pay *you* what the replacement costs) if *you* get that approval.

The most we'll pay

The most we'll pay is *your* contents sum insured, plus any Standard Features payable on top of the contents sum insured, less any applicable excesses.

Excesses

In most cases, *you'll* need to contribute an amount towards the cost of any claims that are accepted. *Your* contribution may be made up of one or more of the following excess types. There may be other excesses that apply in special circumstances. The excess types and amounts that apply to *your* policy will be shown on *your Certificate of Insurance*. For additional information about excesses and how they apply to *your* policy, read *our* Contents Insurance Additional Information Guide at qbe.com/au or call *us* on **133 723** for a copy at no charge by *us*.

We will not apply an excess for legal liability claims.

How we collect the excess

When an excess applies to *your* claim, *we'll* let *you* know when and how to pay the excess as this will depend on how *your* claim is settled. For example:

- If we repair *your* property, *we'll* normally ask *you* to pay the excess to the repairer or supplier before they start the work.
- If we replace *your* property, *we'll* normally ask *you* to pay the excess to the supplier of the replacement item.
- In some instances, *we'll* ask *you* to pay *your* excess to *us* such as where a supplier is not able to accept an excess payment.
- If we pay *you* the *reasonable* cost to repair or replace *your* property, *we* will deduct the excess from the amount *we* pay *you*.

Pay *your* excess as soon as practicable, or call *us* should circumstances prevent *you* from paying *your* excess.

Paying, renewing and cancelling

Paying your premium

Your premium is the cost of your policy. It is the amount we set by taking into account things like the chance of you making a claim under your policy, the options you've chosen as well as other factors including our costs of doing business. Your premium also includes GST and other applicable government fees, duties and charges.

*We'll let you know how much premium you need to pay us, how to pay it and when. You must pay us your premium on time to stay covered. For more information about how we set your premium, read our Contents Insurance Additional Information Guide at **qbe.com/au** or call us for a copy at no charge by us.*

We offer you several ways to pay your premium, including by direct debit which is explained below.

Paying by direct debit

You can choose to pay your premium annually or in instalments by direct debit.

If you choose to pay by direct debit, you authorise us to debit your nominated account for the agreed premium. If the scheduled debit date shown on your Certificate of Insurance is a NSW public holiday or bank holiday, we'll debit your account on the next business day. We'll give you at least 14 days' notice if we change the way the direct debit of your policy works.

You need to make sure your nominated account details are correct and up to date. This includes advising us of the expiry date of a payment card or a change to the payment method. If your nominated account details change you must tell us at least seven days before the next instalment is due to allow us to process the change in time.

Check with your financial institution whether your account allows direct debits.

You need to have enough funds in your nominated account to allow our scheduled debit. If you don't, you'll be responsible for any fee or interest charged by your financial institution. You can also choose to stop your direct debit by contacting your financial institution.

Important – what happens if your direct debit fails

If *you've* chosen to pay *your* premium annually by direct debit and we don't receive *your* payment on time, we may cancel *your* policy as permitted by law and refuse to pay a claim.

If *you've* chosen to pay *your* premium by direct debit instalments and an instalment remains unpaid for one month or more, we may cancel *your* policy and refuse to pay a claim.

Renewing your policy

If we invite *you* to renew *your* policy, we'll send *you* a renewal *Certificate of Insurance*. If *you* make any changes to *your* policy after we send *you our* renewal invitation, and we have agreed to continue to insure *you*, we'll send *you* an updated renewal invitation. *You'll* need to pay *us* any additional premium to ensure *your* cover is not affected.

If you pay your premium by direct debit

If *you* pay *your* premium by direct debit and we invite *you* to renew *your* policy, **we'll continue to debit your premium payments**, either annually or in instalments, whichever *you've* previously chosen.

If *you* don't want to renew, *you* must tell *us* at least seven days before *your* policy's end date so that we can arrange for the direct debit to stop in time.

Adjustment of premium on renewal

If *you* make any changes to *your* policy after we send *you our* renewal invitation, and we have agreed to continue to insure *you*, we'll send *you* an updated renewal invitation. *You'll* need to pay *us* any additional premium to ensure *your* cover is not affected.

A claim on *your* policy may affect *your* renewal premium.

If *you* have a claim, contact *us* as soon as *you* can after the *incident* - see **What you must do after an incident**. To avoid *your* claim being delayed, reduced or refused *you* must not unnecessarily delay notifying *us* of the *incident* - see **What you must not do after an incident**. If *you* were in difficult circumstances that prevented *you* from telling *us* about the claim, let *us* know.

If we send *you* a renewal invitation and the premium doesn't take into account a claim on *your* policy, *you* agree to pay *us* any additional premium we would have charged if we had known about that claim.

Adjustment of premium on renewal (continued ...)

If *you* tell *us* about the claim before *your* renewal takes effect and we agree to continue to insure *you*, we may apply specific conditions to *your* policy (including applying an Imposed Excess) and/or recalculate *your* renewal premium and send *you* an updated renewal invitation.

If *your* policy has already renewed, we may ask *you* for an additional premium. If *you're* paying in instalments, any remaining instalments will be adjusted to reflect the additional premium. If *you've* already paid *your* renewal premium in full, *you'll* need to pay *us* any additional premium to ensure *your* cover is not affected. If *you* don't pay the additional premium by the due date then we will make reasonable efforts to contact *you* using the latest contact details *you* provided *us*. If we don't receive payment of the additional premium owed, we may:

- deduct the outstanding premium amount from a claim payment; or
- cancel *your* policy (see **Cancelling your policy**).

If it was reasonable in the circumstances for *you* to be unaware that *you* had a claim until after we issued *your* renewal invitation, we will not ask *you* to pay the additional premium for that renewal period however the claim may affect *your* future renewal premiums and/or future policy conditions (including the application of an Imposed Excess).

Please note we may have other rights under this policy or as permitted by law, depending on the circumstances.

Cancelling your policy

You can cancel *your* policy at any time by telling *us*.

We can cancel *your* policy as permitted by law, for example, if *you* do not pay *us* *your* premium or if *you* told *us* something that *you* knew to be incorrect or untrue during *your* application for cover.

If *you've* paid *your* premium in advance and *your* policy is cancelled, *we'll* refund *you* the proportion of the premium for the remaining *period of insurance*, less any non-refundable government fees, duties or charges. But see **Cooling-off period** where *you* may be entitled to a full refund.

If *you* make a fraudulent claim on *your* policy, we can cancel it and we won't provide any refund.

We can also cancel *your* policy if *your* circumstances change and no longer fall within *our* underwriting rules. See **Tell us when these things change**.
