About your policy

Our agreement

When *you* pay or agree to pay *your* premium, we agree to provide *you* with insurance cover under the terms and conditions set out in this policy.

Your policy documents

When *you* buy *your* policy, it will be made up of:

Information in this PDS might change. If the change is adverse then we'll issue an SPDS or a new PDS at renewal. All updates (whether adverse or not adverse) will be made available at koganinsurance.com.au/useful-docs/ or you can request an up-to-date paper copy at no charge by us.

Sending you documents

We may send letters, policy and other related documents to *you*. If we email them to *you*, we'll consider the email to be received by *you* 24 hours after we send it.

Please make sure we have *your* current email and mailing address on record, and let *us* know as soon as these change.

About this PDS

This PDS tells *you* about the Kogan Contents Insurance policy we provide including the conditions and exclusions of the cover.

Words in italics have special meanings that are explained in **Definitions** located at the back of this PDS.

The amounts stated in this policy include GST unless stated otherwise.

References to legislation

Legislation referenced in this policy includes subsequent legislation. Any term used in this policy and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

'Subsequent legislation' means:

- an act or regulation as amended, replaced or re-enacted;
- where an act or regulation has been repealed, the current equivalent act or regulation (Commonwealth, State or Territory) with materially the same object or purpose whether in whole or in part.

When there is more than one insured

When there is more than one *insured* on *your* policy, we may treat what any one of them says or does in relation to *your* policy or any claim under it, as said or done by each of the *insureds*. We may rely on a request from one *insured* to change or cancel *your* policy or tell *us* where a claim payment should be paid. Where a payment is made to one *insured* under this policy, we have no further obligations to any other *insured* regarding that payment.

Interests in the policy

You must not transfer any interests in *your* policy without *our* written consent.

Any person whose interests *you've* told *us* about and *we've* noted on *your Certificate of Insurance* is bound by the terms of *your* policy in relation to any claim they make.

If *you* have used all or part of *your contents* as security for a loan from a lender, *we* may pay the lender all or part of the payment made when settling *your* claim. For more information, see **Lender's rights**.

Cooling off period

If *you* change *your* mind about *your* policy and haven't made a claim, *you* can cancel it within 21 days of the start or renewal date and *we'll* give *you* a full refund. If *you* cancel *your* policy in these circumstances, *you* will have no cover under the policy.

You can also cancel *your* policy outside the cooling off period, see **Cancelling your policy**.

Tell us when these things change

You must tell *us* as soon as reasonably possible if any of the following information on *your Certificate of Insurance* is incorrect or has changed.

Things you must tell us	If you are a renter	If you are a strata lot owner
You move into a new <i>home</i>	✓	✓
<i>Your home</i> will be <i>unoccupied</i> for any period longer than 90 consecutive days	✓	✓
The occupancy of <i>your home</i> changes, for example, <i>you</i> plan to rent all or part of it out to boarders, tenants or paying guests (including if <i>you</i> sub-let).	✓	✓
Someone else moves in so that there are 3 or more unrelated people living at the <i>property address</i>	✓	✗
<i>You</i> start operating a business or generating a regular income from the <i>property address</i> other than a home office taking up less than 20% of the <i>home</i> Note: Doing office work in a home office, including working from home for <i>your</i> employer is not considered to be operating a business	✓	✓
<i>You're</i> planning renovations, alterations, additions or repairs at the <i>property address</i> with a commercial value greater than \$20,000	✗	✓
<i>You</i> want to increase <i>your</i> sum(s) insured	✓	✓
<i>You</i> want to add <i>Specified Contents</i> or <i>Portable Contents</i> or increase any specified limit	✓	✓

For example, *you're* planning on installing a new kitchen.

Continued next page...

Tell us when these things change (continued...)

If you don't tell us, we may reduce or refuse to pay a claim.

When you tell us about something that has changed or request a change to your policy, we will assess the change to the risk in accordance with our underwriting rules and processes.

Changes to your cover

If you request any change to cover (e.g. you choose to add an optional cover or you increase your sum(s) insured) then, if we agree to the change, we will issue a new *Certificate of Insurance* and ask you for any additional premium. If an additional premium is required, the change will only be effective when:

- if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- you have paid the additional premium by the due date we give you. If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, the change will not be effective and we will confirm this by issuing a replacement *Certificate of Insurance*.

If you request any change to cover and we don't agree to the change, then we will let you know and the policy will continue unchanged.

Contact **1300 034 888** to discuss potential changes in circumstances when you know the details of the timing and nature of the changes before they happen, to find out in advance whether we will be able to continue to insure your contents.

Changes to your circumstances

If you tell us about a change in your insured property's address then we will consider it under our underwriting rules and processes, and depending on the underwriting assessment:

- If we do not agree to the change then we will cancel your policy and refund the unused portion of the premium.
- If we agree to the change, we will issue a new *Certificate of Insurance* and ask you for any additional premium, inform you of any change in terms, and any additional applicable excess(es).

Changes of these kinds sometimes alter the risk to us in such a significant way that it is no longer within our underwriting rules, and we would not have issued the policy if the request had been made before the start of the policy.

Changes to your circumstances (continued...)

If an additional premium is required, the change will only be effective when:

- if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- you have paid the additional premium by the due date we give to you.

If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, then we will cancel your policy. We will use the latest contact details you provided us to notify you of the cancellation date, which will depend on factors including:

- the amount of the additional premium payable for the change;
- the premium you have already paid on your policy; and
- the remaining period of insurance.

You will not receive a refund as we will use the premium you have already paid to delay the cancellation date by as long as possible. If you pay the additional premium after we notify you but before the cancellation date, then we will no longer need to cancel your policy.

If relevant, please see our Financial Hardship policy available at qbe.com/au

If you tell us about any of the following changes then we will cancel your policy and refund any unused portion of the premium:

- you start operating a business or generating a regular income from the property address other than a home office taking up less than 20% of the home;
- the occupancy of your home changes, for example, you plan to rent all or part of it out to boarders, tenants or paying guests; or
- you are a **renter** and someone else moves in so that there are three or more unrelated people living at the property address.

Doing office work in a home office, including working from home for your employer, is not considered to be operating a business.

If you tell us about any other change, we will consider it under our underwriting rules and processes at the time.

Your contents sums insured

It's important to insure for the right *contents* sum insured because, if *you* underinsure, it could be financially devastating. For example, if *your contents* were *damaged* significantly in a fire, and *your* sum insured wasn't enough to fully replace *your contents*, *you'd* have to pay the shortfall yourself.

Your contents sum insured, should be the cost to replace all *your contents* at today's prices so that *you* have adequate cover in the event of a *total loss*.

The amount *you* select is called *your 'contents sum insured'* – it'll be shown on *your Certificate of Insurance*.

Note: If *you* are:

- a **strata lot owner** and *you* have *fixtures* which the *strata body corporate* is not required by law or its constitution to insure; or
- a **renter** and *you* have *fixtures* for which *you* are responsible under *your* lease agreement that complies with the relevant residential tenancy law and/or which are installed by *you* for *your* own use,

remember to include the new replacement value of these *fixtures* in *your contents* sum insured.

Changing your contents sum insured

You should consider updating *your contents* sum insured when making changes such as:

- *you* determine *you* are underinsured after reassessing the value of *your contents* while making an inventory of *your* possessions;
- *you* buy items that increase the value of *your contents*; or

Note: Limits apply to some *contents* items. See **Contents with limits**.

This is sometimes known as a 'new for old' replacement policy because, if *your contents* are stolen or *damaged* and unable to be repaired, *your* policy will cover the purchase of a new equivalent item, where possible.

If *you're* a **strata lot owner**, *you* should also consider changing *your contents* sum insured when *you* make any changes to *fixtures* which the *strata body corporate* is not required by law or its constitution to insure, for example, if *you* install a new kitchen.

Changing your contents sum insured (continued...)

- *you* buy jewellery, watches, *artworks*, rugs or *antiques*, or *you* buy or add to a *collection* worth more than the limit set out in **Contents with limits**.

Whilst *you* should take care not to be underinsured, *you* should also consider reducing *your contents* sum insured if *you* sell or dispose of items without replacing them.

Contents sum insured adjustment feature

We'll increase *your* sum insured by 0.4% for each whole calendar month until *you* next renew *your* policy to help with increases in replacement costs.

We will not increase *your* sum insured for any *Specified Contents* or *Portable Contents* covered under *your* policy.

For an example of how the *contents* sum insured adjustment feature works in practice, see the Kogan Contents Insurance Additional Information Guide at koganinsurance.com.au/useful-doc/ or call **1300 034 888** for a copy at no charge by *us*.

Your contents sum insured at renewal

Normally, before *your* policy ends each year, *we'll* send a renewal invitation and let *you* know the renewal premium. *We* may increase *your* sum insured, to allow for increases in replacement costs. This may not be the same as 12 x 0.4% under the **Contents sum insured adjustment feature**.

You'll still need to check *your* sum insured to make sure the amount is appropriate and that *you're* not underinsured.

We will not automatically adjust the sum(s) insured for any *Specified Contents* or *Portable Contents* covered under *your* policy.

Overinsuring

If *you* overinsure *your contents* and they are a *total loss*, *we* will only pay the reasonable cost to replace them to a condition substantially the same as, but not better than, when new.

Your contents cover

What you're covered for

We'll cover you:

- for *damage* to your contents caused by the Insured Events listed in this PDS;
- under Standard Features;
- under the Accidental Damage option and/ or the Portable Contents option if *you've* chosen to add it to *your* policy and it's shown on your *Certificate of Insurance*; and
- for legal liability caused by an *occurrence* during the *period of insurance* anywhere in the world.

See **What do we mean by contents?**

There are situations *you're* not covered for. These are set out throughout the PDS. Also, see **General Exclusions**.

Contents with limits

Some *contents* items have standard policy limits. If *you* make a claim for loss of or *damage* to one of the items in the table on the next page, we won't pay more than the limit shown unless:

- *you* have told *us* about the item and the cost to replace it (see **Can the limit be increased?** in the table on the next page); and
- we have agreed to cover the item for more than the standard policy limit; and
- it is shown as a *Specified Contents* item on *your Certificate of Insurance*.

If *you* have an item that could fall under more than one category in the table on the next page, we will treat that item as though it is in the category with the lowest applicable limit.

For example, jewellery, watches and *collections* are not considered *antiques* under this policy, even if they are over 100 years old. The lower limits in the table for jewellery and watches and *collections* apply to these items, not the *antiques* limit.

Contents with Limits (continued...)

If the standard policy limit will not be enough to cover the repair or replacement of a particular item, *you* should tell *us* about the item and the cost to replace it so that we can consider whether to agree to cover it for more than the standard policy limit.

Item	Standard policy limit	Can the limit be increased?
Jewellery and watches	\$2,500 per item, set or pair	✓
<i>Collections</i>	\$5,000 per collection	✓
Artworks, rugs and <i>antiques</i>	\$20,000 per item, set or pair	✓
Note: See the definitions of ' <i>artworks</i> ' and ' <i>antiques</i> ' as they have special meanings in this PDS		
Cash, vouchers, coupons, gift cards, money orders, negotiable financial documents, bullion, ingots, uncut and/or unset gemstones	\$800 in total	✗
Items used by <i>you</i> or <i>your family</i> for earning any income (but not including items ordinarily used in a home office)	\$5,000 in total	✗
Accessories, appliances or spare parts for motor vehicles, caravans, trailers and watercraft (but there is no cover when they are in, on or attached to any of them)	\$1,250 in total	✗
Model aircraft or drones	\$1,500 per model aircraft or drone	✗
Note: Other limitations and exclusions apply to <i>model aircraft and drones</i> relating to size, weight and usage. See Definitions and General Exclusions .		

Continued next page...

Item	Standard policy limit	Can the limit be increased?
Food and prescribed medicines that must be refrigerated or frozen	\$500 in total, once in a <i>period of insurance</i>	✗

Specified Contents

Specified Contents are items we've agreed to cover for more than the standard policy limits that would otherwise apply.

The most we'll pay for your *Specified Contents* items is the Specified item limit shown on your *Certificate of Insurance*.

Where are your contents covered?

Your *contents* are usually only covered at your *property address*. Limits and exclusions apply to *contents* and *Portable Contents* wherever they're covered, as set out throughout the PDS.

There are some specific limits and exclusions for *contents* in the *open air* at the *property address* under the Insured Events: **Theft or burglary** and **Storm, storm surge, rain, hail or flood**.

There is some limited cover away from the *property address* in particular situations where you move to a new permanent residence. Please see details in **Contents in transit to your new home** and **Cover when you move to your new home**.

If you have *Portable Contents* shown on your *Certificate of Insurance*, they are generally covered anywhere in Australia and New Zealand, and anywhere in the world for up to 90 days. There are some specific exclusions that apply to *Portable Contents*, including when they are in transit to a new permanent residence. See **Portable Contents - What you're not covered for**.

Where are your contents covered? (continued...)

The table is a quick guide on where certain *contents* items are covered:

Location	Contents	Portable Contents (optional)	
At the property address	Inside <i>your home</i>	✓	✓
	In the <i>open air</i>	✓	✓
Away from the property address	In transit to <i>your new home</i>	✓	✓
	At <i>your new home</i> when you move	✓	✓
	Anywhere in Australia and New Zealand and for up to 90 consecutive days anywhere else in the world	✗	✓

Insured Events

We cover *damage* to your insured contents caused directly by the following Insured Events that occur during the *period of insurance*. For most Insured Events, there are specific situations *you're* not covered for. These are set out below in the column headed **We won't cover**. You are also not covered for anything set out in the **General Exclusions**.

Standard Features

The following Standard Features apply when *your* claim for an *incident* covered by *your* policy is accepted and they are directly connected to that *incident*. These features are payable as part of *your contents* sum insured, unless otherwise indicated. There is no excess payable for these Standard Features as *you* will already be paying the applicable excess for the *incident*.

Temporary accommodation costs
(continued...)

We will...

For **renters**:
pay the necessary and *reasonable additional cost* of temporary, alternative accommodation for *you*, *your family* and *your pets*, having regard to availability and *your* circumstances, while *your home* is being repaired if:

- the *home* is *your* permanent residence; and
- the *home* is *unliveable* due to the *incident*

To calculate the amount we pay *you*, we will deduct any rent that's not payable under *your* lease agreement because *your home* is *unliveable*.

For example, if *you* are not required to pay rent of \$500 per week because *your home* is *unliveable*, and *your* temporary accommodation is \$700 per week, we will only pay the additional cost of \$200 per week.

But not...

Standard Feature

Temporary accommodation costs

We will...

We will pay these additional costs until:

- *you* find a new home to rent; or
- *you* can move back into *your* current rented *home*; or
- *your* current lease agreement ends; or
- six weeks pass from the date of the *incident* whichever happens first.

For **renters** and **strata lot owners**:

We will also pay for the necessary and *reasonable costs* of:

- relocating to the temporary accommodation;
- returning to *your property address* once the *home* is no longer *unliveable* or, if *you're* a **renter**, *you* move to a new home;

Standard Feature

Temporary accommodation costs

We will...

- additional expenses due to *you* living in the temporary accommodation, for example redirecting mail and connecting to utilities; and
- moving *your* undamaged *contents* into storage in Australia and storing them for as long as they can't be kept at the *home* due to the *incident* or, if *you're* a **renter**, until *you* move to a new home.

If *you're* a **strata lot owner** the most we will pay in total under this standard feature is the greater of:

- 20% of *your contents* sum insured; or
- \$25,000

If *you're* a **renter**, the most we will pay in total under this standard feature is 20% of *your contents* sum insured.

This feature is payable in addition to *your contents* sum insured.

Standard Feature

Environmental upgrades

We will...

pay up to \$500 towards the additional cost of replacing a fridge, freezer, washing machine or dishwasher with one that has similar features and a better environmental rating if:

- *your* claim has been accepted and the item is to be replaced; and
- *you'd* like a more environmentally friendly appliance

For example, if *your* claim to replace *your* two star energy-rated washing machine is accepted, *we'll* pay up to an additional \$500 to replace it with a similar one with a better energy rating.

The most *we'll* pay is \$2,500 in total per *period of insurance*.

Standard Feature

Data or software

We will...

pay up to \$1,000 to recover or replace data or software stored on a device if it was lost because the device was *damaged* as a result of the *incident* at the *property address*

But not...

- if the data or software:
- was illegally acquired; or
 - can be recovered or replaced free of charge; or
 - is used by *you* or *your family* for earning any income

Note: If *you* are using *your office equipment while you're working from home*, we do not consider this to be using the data or software to earn an income.

Administrative fund contributions

✓ Applies to **strata lot owners** only

pay up to \$1,000 towards regular contributions levied by the *strata body corporate* to cover the costs and expenses of administering the building while *your home is unliveable* due to the *incident*. We will calculate the amount payable based on the number of days *your home is unliveable*.

Unlike the Standard Features in the previous table, *you* can make a claim for the following Standard Features even if the claim is not connected to an *incident* for which we have agreed to pay a claim. They are payable as part of *your contents* sum insured. The loss or *damage* must occur during the *period of insurance*.

In some cases, *you* will have to pay an excess when we have agreed to pay one or more of these Standard Features. This is indicated in the table below. Where we state that no excess is payable, this relates only to the Standard Feature. If *you* are also claiming for *damage* where an excess is payable, then *you* will still need to pay an excess for that claim.

For example, if *your* food or prescribed medicines in *your* fridge or freezer are spoiled due to a failure of electricity supply and they're the only things that were affected, *you* will not have to pay an excess under the Standard Feature **Food Spoilage**. If, however, *your* food or prescribed medicines were spoiled due to *your* fridge or freezer motor burning out by electric current and we have agreed to pay a claim for the Insured Event **Burnout of electric motors**, then *you* will have to pay an excess for that claim.

- that is caused by *damage* occurring during the *period of insurance*;
- which is in excess of the *strata body corporate's* strata insurance; and
- charged against all **strata lot owners**.

This cover only applies if:

- the *damage* to the *common property* is caused by an Insured Event; and
- if *your contents* had been *damaged* by the Insured Event, you would have cover for the *damage* under this policy

But not...

for any other payments, contributions, fees or levies payable including for capital works, or administration

where the *damage* occurred outside the *period of insurance*

for any *damage* if you were aware that the *strata body corporate*, owners corporation or an office holder of the strata building or any other person:

- failed to take out insurance; or
- took out insurance that was not compliant with state or territory legislation

Options you can add to your policy

Accidental Damage option

You can choose to add the Accidental Damage option for an additional premium. This cover applies to *accidental loss or damage* occurring at the *property address* during the *period of insurance*.

Whether we agree to provide the Accidental Damage option will depend on *our* underwriting rules and processes at the time. If the option has been added to *your* policy, it will be shown on *your Certificate of Insurance*.

If *you* choose to add the option during the *period of insurance*, it will only apply:

- once *you've* paid us the additional premium or, if *you're* paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and
- from the effective date shown on *your Certificate of Insurance*.

This covers *you* for things like where *your* friend's child who's visiting *accidentally* smashes *your* television screen with a ball.

What you're covered for

We'll cover:

- *accidental damage* to *your contents*, including *damage* caused by *power surge* confirmed by an appropriately qualified contractor; and
- *accidental loss* of *your contents* that can't be recovered after *you* have taken reasonable steps to try to find or recover them.

If *you* think *you* may have a claim for *power surge*, please call **1300 034 888** before *you* contact anyone to make repairs.

You are also covered for some things that wouldn't be covered under the following Insured Events: **Fire, Theft or burglary, Accidental breakage of glass or sanitary fixtures** and **Storm, storm surge, rain, hail or flood**. See these Insured Events for details of this additional cover.

What you're not covered for

We will not cover *damage* caused by anything excluded under any section of *your* policy, including

- anything in the 'We won't cover' column of the Insured Events table, except where specifically noted as being covered under the Accidental Damage option. See the Insured Events **Fire, Theft or burglary, Accidental breakage of glass or sanitary fixtures** and **Storm, storm surge, rain, hail or flood**;

- *bicycles*;
- watercraft; and
- *model aircraft or drones*.

Portable Contents option

The Portable Contents option covers personal items that are designed to be used, worn or carried away from home. Under this option, we only cover items that:

- fit into a *Portable Contents* category. See the following **Category** list; and
- would be covered as contents. **See What do we mean by contents?**

You can choose to add the Portable Contents option for an additional premium if:

- the *property address* is the place of *your* permanent residence; and
- we have agreed to provide the Portable Contents option.

Whether we agree to provide the option will depend on *our* underwriting rules and processes at the time. If the Portable Contents option has been added to *your* policy, it will be shown on *your Certificate of Insurance*.

The Portable Contents option is not available for holiday homes.

Portable Contents option (continued...)

If you choose to add the option during the *period of insurance*, it will only apply:

- once you've paid us the additional premium or, if you're paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and

Under this option you can choose 'Portable Contents – Categories' cover, Specified Portable Contents or both.

You can choose 'Portable Contents – Categories' cover for the categories listed below. You can choose the amount of cover you need – we call this your 'Category limit'. 'damage to property' means physical loss, destruction or damage to physical property belonging to someone other than *you*, including the loss of its use.

'personal injury' means physical, mental or psychological harm including disease or disability, suffered by someone other than *you*, and/or death.

Condition of your home (continued...)

- your failure to fix *damage* to your property, or report *damage* to the owner of the property, that existed prior to the *incident* or *occurrence* as soon as is reasonable after you become aware of the *damage*, or a reasonable person in the circumstances would have become aware of it; or
- your failure to report to the owner of the property if your *home* is not structurally sound, watertight, secure, well maintained and in a good state of repair, as soon as is reasonable after you become aware of the issue, or a reasonable person in the circumstances would have become aware of it.

However, this **Condition of your home** exclusion applies only to the extent that the relevant claim or loss, *damage*, injury or death, cost or legal liability is caused by, arises from or is made worse by one or more of the above circumstances, and you knew or a reasonable person in the circumstances would have known that the relevant condition of the *home* may cause, give rise to or make worse the claim or loss, *damage*, injury or death, cost or legal liability and you did not report it to the owner of the property and a reasonable person in the circumstances would have reported it to the owner of the property.

There is no cover under any section of your policy for any claim, loss, cost, *damage*, injury, death or legal liability caused by or arising from renovations, alterations, additions or repairs undertaken or authorised by you, where you were aware or a reasonable person in the circumstances would have been aware that the work did not comply with building laws or regulations and in addition:

Loss or damage indirectly related to your claim

This policy only covers claims, losses and costs directly related to *damage* from an Insured Event (such as the costs of repair or replacement) unless additional cover is specifically stated. Any other claims, losses and costs that are not directly related to *damage* from an Insured Event are not covered, such as but not limited to:

- additional travel costs because your *home* is *unliveable* due to an *incident*;

- mechanical, electronic or electrical breakdown other than under the Insured Event **Burnout of electric motors**, however, we will cover resultant *damage* to the extent it's covered under the Standard Feature – **Food spoilage** or the Insured Event **Fire**;

For example, we will cover *damage* caused by fire spreading from an electrical fault.
- insects, vermin or rodents, however, we will cover resultant *damage* to the extent it's covered under the Insured Events **Fire** or **Escape of water or other liquid**;

For example, we will cover *damage* caused by fire due to a rat chewing through an electrical wire.
- roots of trees, plants or shrubs, however, we will cover resultant *damage* to the extent it's covered under the Insured Event **Escape of water or other liquid**;

For example, we will cover *damage* due to water escaping from pipes *damaged* by tree roots.

Sanctions limitation and exclusion clause

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that to do so may expose *us* to any sanction, prohibition, or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

Laws impacting cover

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that it is unlawful for us to do so.

Multiple causes

Where loss, *damage*, injury or death has two or more causes and at least one of those causes is excluded by this policy, we will not provide any cover, pay any claim or provide any benefit under this policy.

Claims

This section explains *our* claims process. For examples of how we pay claims under this policy, read *our* Kogan Contents Insurance Additional Information Guide at koganinsurance.com.au/useful-docs/ or call **1300 034 888** for a copy at no charge by *us*.

We handle many *contents* insurance claims every day. We know that some of *our* customers face difficult circumstances when making a claim on their *contents* insurance policy. In some cases, *your* circumstances might prevent *you* from strictly complying with policy terms and conditions. For example, if *you* are badly injured in an *incident* that also results in a claim under this policy, then *you* may not be able to provide the assistance we normally need to process *your* claim. If this applies to *you*, then *you* or *your family* should speak to *us* about *your* situation. We will consider *your* situation and see how we can help *you*.

If relevant, please see *our* Financial Hardship and/or Family and Domestic Violence Customer Support policies available at qbe.com/au

You can ask *us* if *your* policy covers a particular loss before *you* actually make a claim.

What you must do after an incident

As soon as reasonably possible after an *incident* *you* must:

- take reasonable steps to:
 - prevent further loss or *damage* to *your* property and keep it secure;
 - get the full name and address of each person involved; and
- report the *incident* to police if something was lost, stolen or deliberately *damaged* and provide details of the report to *us*. We may need the police report number to process *your* claim or *our* recovery action if there is a third party who is liable for *your* loss.

As soon as *you* can after the *incident*, call **1300 034 888** to make *your* claim, or lodge it online at koganinsurance.com.au/make-a-claim/. If the situation requires urgent attention, please call *us*. We're available 24 hours, seven days a week.

If, as a result of an *incident*, *you* are in urgent financial need of the benefits *you're* entitled to under *your* policy, please call *us* as soon as possible to see how we can assist *you*.

If *you* have an existing claim and need access to an interpreter, please contact *your* Claims Officer directly.

What you must not do after an incident

We reserve the right to reduce *your* claim payment if *your* actions after an *incident* increase the loss or liability. If *your* actions prevent *us* from recovering a claim payment from another person who would be liable to *you* for a loss or liability that *you* suffer, then we may refuse to pay *your* claim. To avoid *your* claim being delayed, reduced or refused you must not:

- admit fault or liability, except in a court or to police. Call *us* if *you* would like guidance;
- offer or negotiate to settle a claim against *you*;
- unnecessarily delay notifying *us* of the *incident*;
- enter into any agreement with anyone else which could limit the amount that could be recovered from them;
- agree not to seek compensation from any person liable to compensate *you*;
- authorise repairs without *our* consent. If *you* do, we may not cover them; or
- dispose of *damaged* items unless we've first agreed to this. This is so we can establish the cause or extent of the *damage* to quickly and accurately assess *your* claim. Call **1300 034 888** if *you* would like guidance including where there is hazardous material present.

See **Preventing our right of recovery.**

Cooperating with us

You must provide reasonable assistance to *us*, including:

- being truthful and frank at all times;
- providing *us* with relevant information and documents we ask for, such as proof of purchase or repair quotes, if needed;
- telling *us* promptly if *you've* been contacted by someone about an *incident*, such as another insurer or a third party's lawyer;
- attending one or more interviews about the claim if we ask *you* to;
- appearing in court, giving evidence or providing a formal statement, if needed;
- making *your* property available for *us* to inspect or examine; and
- responding to *our* requests in a timely manner.

Cooperating with us (continued...)

At all times *you* must refrain from behaving in a way that's improper, hostile or threatening towards *us*, *our* representatives, *our* suppliers or third parties involved in an *incident*.

If *you* don't cooperate in any of these ways, it may delay *your* claim, or we may reduce or refuse to pay *your* claim.

Contribution and other insurance

When making a claim, *you* must notify *us* of any other insurance that *you're* aware will or may, whether in whole or in part, cover any loss insured under *your* policy.

If at the time of any loss, *damage* or liability there's any other insurance (whether issued to *you* or any other person) which covers the same loss, *damage* or liability *you* must provide *us* with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Salvage

If we pay a claim by replacing or paying to replace any items or materials, we're entitled to obtain and retain any items or materials salvaged or recovered. We may sell the items or materials and keep the proceeds. If *you* ask *us*, we may agree to sell the items or materials to *you*, provided *you* agree to pay the fair market value. This is the price we could get if we sold the items or materials to someone else who is willing and able to buy them. If there is no market for the items or materials, then we will base the amount on enquiries made to appropriately experienced or qualified third party professionals.

What happens to your contents sum(s) insured after a partial loss?

Following payment of a claim, other than for a *total loss* claim, *your* sum insured will remain unchanged unless *you* request otherwise.

What happens after a total loss?

Cover ends when we have agreed to pay *your* claim. However, *we'll* still pay for the following Standard Features if they apply to *your* cover, they are directly connected to the *total loss* and they continue to be relevant:

- **Temporary accommodation costs**
- **Environmental upgrades**
- **Damage to common property causing extraordinary payments or special levy**
- **Administrative fund contributions**

Specified Contents and Specified Portable Contents

Cover ends for the item when we have agreed to pay *your* claim.

Portable Contents – Categories

Cover ends for the category when we have agreed to pay *your* claim and we pay the full category limit to repair or replace the item(s).

If *you* want to insure any replacement items or reinstate a category limit, then *you* will need to ask *us*. If we agree and *you* pay the additional premium, it will be shown on *your Certificate of Insurance*.

Your premium after a total loss

If *you* paid *your* premium annually there is no premium refund.

If *you* paid in instalments – *you* will still need to pay the total of any remaining premium instalments for the *period of insurance*. If *your* policy comes to an end, depending on how we settle *your* claim, we will either deduct the total of all remaining instalments from *your* claim settlement or we will ask *you* to pay the total to *us*.

The total premium is payable and non-refundable because *you* have received the benefit of the cover we provide under the policy.

Lender's rights

If *we're* settling *your* claim by paying *you* (instead of paying *our* repairer or other service providers), and *you* have used all or part of *your contents* as security for a loan from a lender, we reserve the right to pay all or part of the payment to the lender.

The amount we pay to the lender will be the lesser of:

- the amount owing to them (with any balance paid to *you*); or
- the amount we have agreed to pay in settlement of the secured property.

A payment made to a lender will satisfy *our* obligation to *you* for the amount paid.

For more information about other interests in *your* policy, see **Interests in the policy**.

Claim payments and GST

We pay claims inclusive of GST unless the owner of the property is a business which is, or needs to be, registered for GST. In that case, *we'll* reduce the amount we pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim we pay.

There may be other taxation implications affecting *you*, depending upon *your* own circumstances. We recommend *you* seek professional advice.

Unless we say otherwise, all amounts in *your* policy are inclusive of GST.

Claims administration, going to court, recovery action and legal liability claims

If *you* suffer loss or *damage* due to an *incident* for which someone else is responsible, *you* may have a legal right to recover some or all of the loss or *damage* from that person, including by taking legal action against them. When we pay a claim under *your* policy, we have the right to exercise *your* legal rights in *your* name against the person responsible for the loss or *damage*. *We'll* take full control of the administration, conduct or settlement of the recovery, including any legal defence.

Claims administration, going to court, recovery action and legal liability claims (continued...)

When we do any of these things in *your* name, it will be at *our* expense, however *you'll* need to give *us* reasonable assistance. This may include following *our* directions in relation to the conduct of any legal proceedings even after a claim has been paid. *You* must not enter into any agreement with anyone else which could limit the amount that could be recovered, including joining class action proceedings, without *our* permission.

When we pay a claim and some of *your* loss isn't covered by *your* policy, we may offer to try to recover that loss for *you* when we take any steps to recover the covered loss. We can only do so if *you* agree to give *us* documents and statements that support *your* loss and agree with *us* on how *we'll* handle that recovery. *You* may also need to contribute to the associated costs if, to recover the loss for *you*, we need to take additional steps that we wouldn't otherwise need to take.

If we successfully recover more than we paid for *your* claim under *your* policy, we will first keep the amount we paid for *your* claim and the amounts we paid in administrative and legal costs spent towards making the recovery. If there is any amount remaining after this, we will pay *you* the remainder to compensate *you* for loss that was not insured. Finally, we will keep any remaining amounts.

If *you've* received a benefit under *your* policy that *you* were not entitled to, we reserve the right to recover from *you* the amount we have paid. If we decline a claim for fraud, we reserve the right to recover any amounts we paid to *you* under the policy as well as *our* reasonable administration, investigation and legal costs from anyone at fault in relation to the fraud.

When we cover *you* for a legal liability claim, we may:

- arrange for a lawyer to represent *you* or we may act on *your* behalf;
- attempt to settle the claim; and/or
- defend the claim.

We will decide whether to defend or settle the claim and how much to pay to settle the claim.

Preventing our right of recovery

If *you've* agreed with or told someone who caused *you* loss, *damage* or liability covered by *your* policy that *you* won't hold them responsible then, to the extent *we've* been prejudiced by this act, we won't cover *you* for that loss, *damage* or liability.

Providing proof of ownership and value

In some cases we will ask *you* for proof that *you* owned the items *you're* claiming for and for documents or other information to assist *us* in assessing their value. Whether we ask for proof and, if we do, the types of documents we ask for may depend on the situation. So that *your* claim can be assessed, make sure *you* keep things like:

- receipts or tax invoices;
- credit card or bank statements;
- guarantee or warranty certificates;
- valuation certificates for jewellery, *collections* and *artworks*; or
- photographs or video film of the item/s in *your* home or being worn by *you*.

If, however, *your* proof of ownership was destroyed in a fire, we may accept other evidence of ownership.

If, after reviewing all the evidence about *your* claim that has been provided to *us*, *we're* not satisfied that *you* actually owned the items, we may refuse to pay *your* claim.

How we settle claims

We only pay once for loss or *damage* caused by the same event covered by this policy even if that loss or *damage* is covered under more than one section of the policy.

How we settle claims for contents (excluding fixtures)

If a *damaged* item can be repaired, *we'll* normally pay *our* repairer the necessary and *reasonable* cost to repair *your* contents item to a condition substantially the same as, but not better than, when new.

If it's not economical to repair the item, or it's been lost or stolen, *we'll* replace the item with a new one that's substantially the same where it's practical to do so.

Continued next page...

How we settle claims for contents (excluding fixtures) (continued...)

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

If you don't use our repairer, or we can't repair or replace the item

We will pay *you* the *reasonable cost* to repair or replace the lost, stolen or *damaged contents* to a condition substantially the same as, but not better than when new if, for example:

- *you* decide to replace those *contents* with items that are not substantially the same;
- *you* decide *you* do not want the *contents* repaired or replaced;
- if it's not practical for *us* to repair or replace *your contents* due to the age, style, type, condition or nature of *your contents* or if materials or skills needed for repairs are not readily and locally available; or
- if *you* choose to go with a repairer of *your* choice.

If *you* don't want an item repaired we will not pay to replace it; we'll pay what it would have cost to repair it. See **How the amount we'll pay is determined if the item is repairable.**

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

How the amount we'll pay is determined if the item is repairable

To assess the necessary work required to repair *damaged contents* items we will, where possible, obtain a report or quote from *our* repairer. If *you* agree with this, we will then pay *you* the amount quoted by *our* repairer.

If *you're* not happy with the amount quoted by *our* repairer, or if *we're* unable to obtain a *report or quote* from *our* repairer, we'll ask *you* to provide *us* with a report or quote from a repairer of *your* choice for *us* to consider. We'll review this to ensure it covers the necessary work and is within market rates. To determine this, we'll consider the following:

- *our* repairer's report or quote (if we were able to obtain it);
- *our* own data and experience with similar repairs;
- third party cost estimation sources; and

How the amount we'll pay is determined if the item is repairable (continued...)

- *your* circumstances, including the location and attributes of *your contents*.

Following *our* review, we'll do one of the following:

- If we believe *your* repairer's report or quote covers the necessary work and is within market rates, we'll pay *you* the amount quoted by them.
- If we believe *your* repairer's report or *quote* either omits or overstates aspects of the work required or their quote is significantly above market rates, we'll discuss this with *you* and/or them and seek agreement on the report or quote.
 - If we come to an agreement with *you* or *your* repairer, we'll pay *you* the amount agreed.
 - If we're still unable to agree with *you* on the amount we'll pay *you*, we'll attempt to obtain a quote or report from an alternative repairer we both agree on, and we'll review this together with *you* to arrive at a final quote. If we're able to come to an agreement, we'll pay *you* the amount quoted by them.
 - If we're unable to agree on an alternative repairer, we believe the alternative repairer's *report or quote* either omits or overstates key aspects of the work required, or we believe their quote is significantly above market rates, we'll refer *you* to *our* complaints process.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

How the amount we'll pay is determined if the item is not repairable

For replacement items that are readily available including tools, devices and appliances, we will pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time we settle the claim.

If an item is not readily available, we'll pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time we settle the claim for an equivalent item with similar specifications and functionality.

How the amount we'll pay is determined if the item can't be replaced

If we can't repair the item, or it can't be replaced because of its antiquity or rarity, we'll pay the lesser of:

- the standard policy limit or, if it's a *Specified Contents* item or a *Specified Portable Contents* item, the specified limit noted on *your Certificate of Insurance*; and
- the fair market value based on enquiries made to independent and appropriately experienced or qualified professionals.

If *your contents* sum insured is inadequate, we will only pay up to the sum insured or any applicable standard policy limits.

The most we'll pay

The most we'll pay in total for *your contents* is *your contents* sum insured, plus any Standard Features payable on top of the *contents* sum insured, less any applicable excesses.

The most we'll pay in total for *your Portable Contents* is *your Portable Contents* sum insured.

Your contents sum insured may be increased through the application of the **Contents sum insured adjustment feature**.

There are limits on what we'll pay for some individual items:

- the standard policy limit, where applicable (see **Contents with limits**);
- the specified item limit shown on *your Certificate of Insurance* for items you have listed as *Specified Contents*;
- the category limit shown on *your Certificate of Insurance* for Portable Contents – Categories; or
- the specified item sum insured shown on *your Certificate of Insurance* for items you have listed as *Specified Portable Contents*, less any applicable excess(es).

If you have not specified an item that is worth more than the standard policy limit, to see how we will apply any applicable excess(es) see the Kogan Contents Insurance Additional Information Guide at koganinsurance.com.au/useful-docs/ or call **1300 034 888** for a copy at no charge by us.

The most we'll pay (continued...)

We treat the following items differently when we pay *your* claim:

Item	What we pay
Photographs and videos	We'll pay for reproducing videos and hard copy photographs you have purchased from, or had produced by, a professional photographic business if the necessary electronic data is available. We do not pay to reconstruct any circumstances or conditions.
Sets or pairs	<p>If we can't repair an item which forms part of a <i>set or pair</i> or it can't be replaced because:</p> <ul style="list-style-type: none"> • we're unable to reasonably match it; or • the functionality of the <i>set or pair</i> is lost (e.g. hearing aids/ <i>sporting equipment</i>), <p><i>you</i> can choose to either:</p> <ul style="list-style-type: none"> • surrender the remaining item(s) to us, in which case we'll pay the replacement value of the <i>set or pair</i>, up to any applicable limit; or • keep the remaining item(s), in which case we'll pay the replacement value of the lost or <i>damaged</i> item. <p>We don't allow for any special value the item may have as forming part of a <i>set or pair</i>, or for any reduction in value of the remaining part(s).</p>

How we settle claims for fixtures

We'll normally pay *our* supplier the necessary and *reasonable* cost to repair or replace the *damaged fixtures* to a condition substantially the same as, but not better than, when new.

If you don't use our supplier

We will pay *you* the *reasonable* cost to repair or replace the *damaged* parts of *your fixtures* to a condition substantially the same as but not better than when new if, for example:

- it's not practical for *us* to repair or replace *your fixtures* due to the age, policy limit, inadequate sum insured, construction or condition of *your fixtures* or if materials needed for repairs are not readily available; or
- *you* choose to go with a supplier (which includes a repairer or builder) of *your* choice.

To assess the cost of the necessary work required to repair or replace the *damaged* parts of *your fixtures* we will, where possible, obtain a *scope of works* and a quote from *our* supplier. If *you* agree with this, we will then pay *you* the amount quoted by *our* supplier.

If *you're* not happy with the amount quoted by *our* supplier, or if *we're* unable to obtain a *scope of works* from *our* supplier, *we'll* ask *you* to provide *us* with a fully itemised *scope of works* and quote from a supplier of *your* choice for *us* to consider. *We'll* review these to ensure they cover the necessary work and are within market rates. To determine this, *we'll* consider the following:

- *our* supplier's *scope of works* and quote (if *we* were able to obtain it);
- *our* own data and experience with similar repairs or replacement;
- third party cost estimation sources; and
- *your* circumstances, including the location and attributes of *your fixtures*.

If you don't use our supplier (continued...)

Following *our* review, *we'll* do one of the following:

- If *we* believe *your* supplier's *scope of works* and quote cover the necessary work and are within market rates, *we'll* pay *you* the amount quoted by them.
- If *we* believe *your* supplier's *scope of works* either omits or overstates aspects of the work required or their quote is significantly above market rates, *we'll* discuss this with *you* and/or them and seek agreement on the *scope of works* and quote.
 - If *we* come to an agreement with *you* or *your* supplier, *we'll* pay *you* the amount agreed.
 - If *we're* still unable to agree with *you* on the amount *we'll* pay *you*, *we'll* attempt to obtain a *scope of works*, quote or report (as required) from an alternative supplier *we* both agree on, and *we'll* review these together with *you* to arrive at a final *scope of works* and quote. If *we're* able to come to an agreement, *we'll* pay *you* the amount quoted by them.
 - If *we're* unable to agree on an alternative supplier, *we* believe the alternative supplier's *scope of work* either omits or overstates key aspects of the work required, or *we* believe their quote is significantly above market rates, *we'll* refer *you* to *our* complaints process.

Whether *we* arrange the repairs or replacement or pay *you* the cost to complete the repairs or replacement, *we'll* also pay the necessary and *reasonable* costs as part of *your contents* sum insured:

- for demolition;
- to remove debris from *your property address*; and
- to comply with current building codes and statutory requirements.

We won't pay for any undamaged parts of *your fixtures*, even to restore those undamaged parts to achieve a uniform appearance other than to the extent set out in the table below:

If you don't use our supplier (continued...)

Damage to internal flooring

We'll pay to repair or replace up to an existing change or join in the carpet, linoleum, floating floor or other fixed floor covering, or to an archway, doorway or similar opening, whichever is closest to the *damage*.

We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide.

This is a common width of a doorway.

We won't pay to replace any undamaged materials in any other adjoining rooms, hallways or stairwells.

Damage to internal walls

We'll pay to repair or replace the *damaged* wall(s). We won't pay to replace the wall covering, for example wallpaper or paint on any adjoining walls or in any adjoining rooms, hallways or stairwells.

Damage to internal fixtures/ fittings

We'll pay to repair or replace fitted cupboards, sections of cabinets and sections of benchtops if they are continuously joined to, and made of the same material as, the *damaged* part.

Matching materials (applicable to strata lot owners only)

If part of *your home* is *damaged* by an Insured Event and we pay *your* claim, we'll match existing materials if they're commercially available in Australia when we repair or replace the *damaged* property.

If not, we'll use the nearest equivalent materials that we can source locally. In this case, if the *damage* is inside *your home*, we will also pay up to \$1,000 to replace undamaged parts of the same room, hallway or stairwell (to the nearest doorway, archway, or other opening) so that it matches or complements the materials we've used. We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide (this is a common width of a doorway). If *you're* not satisfied with the nearest equivalent materials we source, we will pay *you* what it would have cost to repair or replace with these materials.

If any replacement of undamaged property under this section needs the approval of a *strata body corporate*, then we only pay for the replacement (or pay *you* what the replacement costs) if *you* get that approval.

The most we'll pay

The most we'll pay is *your contents* sum insured plus any Standard Features payable on top of the *contents* sum insured, less any applicable excesses.

Excesses

There may be other excesses that apply in special circumstances. The excess types and amounts that apply to *your* policy will be shown on *your Certificate of Insurance*. How we collect the excess

When an excess applies to *your* claim, *we'll* let *you* know when and how to pay the excess as this will depend on how *your* claim is settled. For example:

- If *we* repair *your* property, *we'll* normally ask *you* to pay the excess to the repairer or supplier before they start the work.
- If *we* replace *your* property, *we'll* normally ask *you* to pay the excess to the supplier of the replacement item.
- In some instances, *we'll* ask *you* to pay *your* excess to *us*, such as where a supplier is not able to accept an excess payment.
- If *we* pay *you* the *reasonable* cost to repair or replace *your* property, *we* will deduct the excess from the amount *we* pay *you*.

Pay *your* excess as soon as practicable, or call *us* should circumstances prevent *you* from paying *your* excess.

Paying, renewing and cancelling

Paying your premium

Your premium is the cost of *your* policy. It is the amount we set by taking into account things like the chance of *you* making a claim under *your* policy, the cover options *you've* chosen as well as other factors including *our* costs of doing business. Your premium also includes GST and other applicable government fees, duties and charges.

We'll let *you* know how much premium *you* need to pay *us*, how to pay it and when. *You* must pay *us your* premium on time to stay covered. For more information about how we set *your* premium, read the Kogan Contents Insurance Additional Information Guide at koganinsurance.com.au/useful-docs/ or call *us* for a copy at no charge by *us*.

We offer *you* several ways to pay *your* premium, including by direct debit which is explained below.

Paying by direct debit

You can choose to pay *your* premium annually or in instalments by direct debit.

If *you* choose to pay by direct debit, *you* authorise *us* to debit *your* nominated account for the agreed premium. If the scheduled debit date shown on *your Certificate of Insurance* is a NSW public holiday or bank holiday, we'll debit *your* account on the next business day. We'll give *you* at least 14 days' notice if we change the way the direct debit of *your* policy works.

You need to make sure *your* nominated account details are correct and up to date. This includes advising *us* of the expiry date of a payment card or a change to the payment method. If *your* nominated account details change *you* must tell *us* at least seven days before the next instalment is due to allow *us* to process the change in time.

Check with *your* financial institution whether *your* account allows direct debits.

Paying by direct debit (continued...)

You need to have enough funds in *your* nominated account to allow *our* scheduled debit. If *you* don't, *you'll* be responsible for any fee or interest charged by *your* financial institution. *You* can also choose to stop *your* direct debit by contacting *your* financial institution.

Important – what happens if your direct debit fails

If *you've* chosen to pay *your* premium annually by direct debit and we don't receive *your* payment on time, we may cancel *your* policy as permitted by law and refuse to pay a claim.

If *you've* chosen to pay *your* premium by direct debit instalments and an instalment remains unpaid for one month or more, we may cancel *your* policy and refuse to pay a claim.

Renewing your policy

If we invite *you* to renew *your* policy, we'll send *you* a renewal *Certificate of Insurance*. If *you* make any changes to *your* policy after we send *you our* renewal invitation, and we have agreed to continue to insure *you*, we'll send *you* an updated renewal invitation. *You'll* need to pay *us* any additional premium to ensure *your* cover is not affected.

If you pay your premium by direct debit

If *you* pay *your* premium by direct debit and we invite *you* to renew *your* policy, we'll **continue to debit your premium payments**, either annually or in instalments, whichever *you've* previously chosen.

If *you* don't want to renew, *you* must tell *us* at least seven days before *your* policy's end date so that we can arrange for the direct debit to stop in time.

Cancelling your policy

You can cancel *your* policy at any time by telling *us*. We can cancel *your* policy as permitted by law, for example if *you* do not pay *us your* premium or if *you* told *us* something that *you* knew to be incorrect or untrue during *your* application for cover.

We can also cancel *your* policy if *your* circumstances change and no longer fall within *our* underwriting rules. See **Tell us when these things change.**

If *you've* paid *your* premium in advance and *your* policy is cancelled, *we'll* refund *you* the proportion of the premium for the remaining *period of insurance*, minus any non-refundable government fees, duties or charges. But see **Cooling off period** where *you* may be entitled to a full refund.

If *you* make a fraudulent claim on *your* policy, *we* can cancel it and *we* won't provide any refund.
