Part A: Product Disclosure Statement

About your policy

Our agreement

When you pay or agree to pay *your* premium, we agree to provide you with insurance cover under the terms and conditions set out in this policy.

Your policy documents

When you buy *your* policy it will be made up of:

this Product
Disclosure
Statement (PDS)

any applicable
Supplementary Product
Disclosure Statement
(SPDS)

*your Certificate
of Insurance*

Information in this PDS might change. If the change is adverse then we'll issue an SPDS or a new PDS at renewal. All updates (whether adverse or not adverse) will be made available at auspost.com.au/carinsurance or you can request an up-to-date paper copy at no charge by us.

Receiving your policy documents

We'll normally email *your policy* and other related documents. We'll consider an email to be received by *you* when it enters *your* mail server, but in any event no later than 24 hours from the time it's sent out of *our* data system. *You* can choose to receive *your* policy documents by post and *you* can change *your* preference at any time. It's *your* responsibility to make sure we have *your* current email and mailing address on record, so *you* must let *us* know as soon as these change.

About this PDS

This PDS tells *you* about the Australia Post Third Party Property Damage Car Insurance policy we offer including the conditions and exclusions of the cover. Before deciding to buy this policy, please read this PDS to decide if the cover is right for *you*.

Words in italics have special meanings that are explained in **Definitions** located at the back of this PDS.

The amounts stated in this policy include GST unless stated otherwise.

When there is more than one insured

When there is more than one *insured* on *your* policy, we may treat what any one of them says or does in relation to *your* policy or any claim under it, as said or done by each of the *insureds*. We may rely on a request from one *insured* to change or cancel *your* policy or tell *us* where a claim payment should be paid.

Who is covered

Your policy covers anyone who drives *your car* when they meet its terms and conditions. This includes a learner driver who drives *your car* when supervised by a properly licensed driver.

Cooling off period

If *you* change *your* mind about *your* policy and haven't made a claim, *you* can cancel it within 21 days of the start or renewal date and we'll give *you* a full refund. If *you* cancel *your* policy in these circumstances, *you* will have no cover under the policy.

You can also cancel *your* policy outside the cooling off period, see **Cancelling your policy**.

Tell us when things change

You must tell us as soon as possible if any of the information on your *Certificate of Insurance* is incorrect or has changed. For example you must tell us if:

- your car is replaced or sold
- the address where your car is usually kept changes, or
- there is a change to how your car is used
- you change the number of hours your car is used for ridesharing
- you want to add to the policy any other drivers who use your car
- your contact details like email, phone number or mailing address change
- you want to add or remove the cover option.

For example, if you start using your car for ridesharing or for business purpose.

When you tell us about something that has changed or request a change to your policy, we will assess the change to the risk in accordance with our underwriting rules and processes. If you request any change to cover (for example, you choose to add the cover option) and we agree to the change, we will issue a new *Certificate of Insurance* and ask you for any additional premium.

If an additional premium is required, the change to your cover will only become effective when:

- if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium, or
- you have paid the additional premium by the due date we give to you.

If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the most recent contact details you provided to us. If we don't receive payment of the additional premium owed, the change will not be effective and we will confirm this by issuing a replacement *Certificate of Insurance*.

If you request any change to cover and we don't agree to the change, then we will let you know and the policy will continue unchanged.

Changes to your circumstances

If *you* tell *us* about a change in *your* car or car's value then we will consider it under our underwriting rules and processes, and depending on the underwriting assessment:

- if we do not agree to the change then we will cancel *your* policy and refund the unused portion of the premium.
- if we agree to the change, we will issue a new *Certificate of Insurance* and ask *you* for any additional premium, inform *you* of any change in terms, and any additional applicable excess(es). If an additional premium is required, the change will only be effective when:
 - if *you're* paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
 - *you* have paid the additional premium by the due date *we* give to *you*

If *you* don't pay the additional premium by the due date then *we* will make reasonable efforts to contact *you* using the latest contact details *you* provided *us*. If *we* don't receive payment of the additional premium owed, then *we* will cancel *your* policy. *We* will use the latest contact details *you* provided *us* to notify *you* of the cancellation date, which will depend on factors including:

- the amount of the additional premium payable for the change;
- the premium *you* have already paid on *your* policy; and
- the remaining period of insurance.

You will not receive a refund as *we* will use the premium *you* have already paid to delay the cancellation date by as long as possible. If *you* pay the additional premium after *we* notify *you* but before the cancellation date, then *we* will no longer need to cancel *your* policy.

Contact 13 70 11 to discuss potential changes in circumstances when *you* know the details of the timing and nature of the changes before they happen, to find out in advance whether *we* will be able to continue to insure *you*.

Changes of these kinds sometimes alter the risk to *us* in such a significant way that it is no longer within *our* underwriting rules, and *we* would not have issued the policy if the request had been made before the start of the policy.

If relevant, please see *our* Financial Hardship policy available at qbe.com/au

What is third party property damage cover?

Your Australia Post Third Party Property Damage Car Insurance *policy* covers:

- legal liability that arises from damage to someone else's property caused by the use of *your car*. See **Legal liability** for details.
- the standard features, including the **Damage caused by uninsured driver**.

If you've chosen to add the **Fire and theft cover option** and it is shown on your *Certificate of Insurance*, we'll also cover:

- up to the amount shown on your *Certificate of Insurance* for loss of or damage to *your car* caused by fire, theft or attempted theft; and
- the features for this option explained in this policy.

Legal liability

In this legal liability section any reference to 'you' means the *insured*, any driver or any passenger of *your car*.

This section explains the main cover provided by this policy. For example, if *you* crash into a parked car or someone else's house.

What you're covered for

This policy covers *your* legal liability to pay compensation which arises from damage to someone else's property, caused by the use of *your car*.

This legal liability cover also extends to:

- something falling from *your car* as well as the loading or unloading of *your car*. In this section, *your car* includes an attached *trailer* as well as a substitute car you're using because *your car* is being repaired or serviced by a licensed tradesperson; and
- your employer or business partner, if you were using *your car* in the course of your employment or business partnership.

We'll also cover clean-up costs at the scene of an accident, for which you are legally responsible.

What is third party property damage cover?

What you're not covered for

This policy does not cover *your* legal liability if:

- ✗ the claim arises from damage caused to property owned by *you* or in *your* possession or control;
- ✗ the use of the substitute car is already covered for legal liability by another motor vehicle insurance *policy*;
- ✗ the substitute car is owned by *you* or is a hire car;
- ✗ *you* didn't have permission from the owner of the substitute car to use it;
- ✗ the claim arises from death or bodily injury; or
- ✗ the claim is excluded by the **General exclusions**.

The most we'll pay

The most we'll pay for all legal liability claims arising from any one *incident* is \$30,000,000. This includes GST and any associated legal costs we've agreed to pay.

Standard features covered by this policy

Damage caused by uninsured driver

We'll pay the reasonable amount it would cost to repair *your car* up to \$5,000, or assess *your car* as a *total loss* and pay the *market value* of *your car*, whichever is lower if:

- *your car* is damaged in an accident with another vehicle; and
- the driver of *your car* did not cause or contribute to the accident (*you* may be able to help confirm this by providing a police report, expert reports, witness statements or photographs taken at the scene); and
- *you* provide *us* the responsible driver's full name and address and the registration number of the other vehicle involved; and
- the driver of the other vehicle did not have insurance to cover damage to *your car*, or we cannot confirm this through *our* enquiries within a reasonable time.

We will not provide this cover if *you* or any driver listed on *your Certificate of Insurance* is the owner or part-owner of the car that we agree is responsible for the accident.

Change of car

We will automatically transfer the cover under *your policy* to a replacement car for up to 14 days from when *you* sell or dispose of *your car*.

Tell us as soon as *you* replace *your car*. We'll tell *you* if we can insure it and if there are any changes to *your policy*.

Fire and theft cover option

If we agree, *you* can choose to add the Fire and theft cover option for an additional premium. This option provides cover for loss of or damage to *your car* caused by fire, theft or attempted theft.

If *you* have the Fire and theft cover option, we'll pay the reasonable amount it would cost to repair *your car* up to the amount shown on your *Certificate of Insurance*, or, if *your car* is assessed as a total loss, we'll pay the market value of *your car*, whichever is lower.

Whether we agree to provide the Fire and theft cover option will depend on *our* underwriting rules and processes at the time. If the option has been added to your policy, it will be shown on *your Certificate of Insurance*.

If *you* choose to add the option during the *period of insurance*, it will only apply:

- once *you've* paid *us* the additional premium or, if *you're* paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and
- from the effective date shown on *your Certificate of Insurance*.

Features applicable to this Fire and theft cover option

When a claim for an *incident* covered under this option is accepted, *our* cover extends to the following features if they are directly connected to that *incident*. Any amounts payable are paid in addition to *our* claim settlement for *your car*.

Feature	We will...	But not...
 Baby capsules and child seats	replace fire damaged or stolen baby capsules and child seats which are inside <i>your car</i>	if they are stolen from <i>your car</i> when the car itself isn't stolen

General exclusions

There is no cover under any section of *your policy* for any claim or damage, loss, cost or legal liability, that involves, arises from or is in connection with any of these general exclusions.

Driver

There is no cover if the driver of *your car* at the time of the *incident* was:

- driving without a valid driver's licence or not complying with their licence conditions;
- under the influence of alcohol and/or a drug (including medication);
- driving when exceeding the legal limit for alcohol and/or a drug (including medication);
- not willing to take part in a test for alcohol and/or a drug (including medication);
- driving after getting medical advice that their ability to drive a car could be compromised by their medical condition or treatment;
- someone who stole *your car*; or
- excluded on *your Certificate of Insurance*.

The above driver exclusions do not apply if *you* had no reason to suspect that the driver of *your car* did or was any of the above. In that instance, *we'll* cover the damage to *your car* that's otherwise covered under *your policy*, but not any legal liability arising from damage caused by that driver. If allowed by law, *we* may recover the cost of *your car's* damage from that driver.

Intentional, reckless or fraudulent acts

There is no cover for intentional, reckless or fraudulent acts by:

- *you*, any driver or passenger of *your car*, or anyone acting with *your* or their express or implied consent; or
- anyone who owns *your car* to any extent.

Examples of reckless acts include street racing, driving into floodwater, illegally using a mobile phone or driving at dangerously excessive speed.

This exclusion does not apply if *your car* was stolen. *We* reserve the right to report suspected fraudulent or other criminal acts to the police for their investigation.

Use of your car

There is no cover if *your car* was being used:

- to deliver food or other goods for reward;
- to carry passengers for hire, fare or reward, except when:
 - it is unpaid carpooling or unpaid volunteering; or
 - *you* have told *us* *your car* is used for *ridesharing* and the number of *ridesharing* hours does not exceed that shown on *your Certificate of Insurance*;
- as part of a car sharing service or platform for reward;
- for a *business use* other than that shown on *your Certificate of Insurance*;
- to carry or tow a load (including a *trailer*) that was heavier than permitted by law or allowed by design specifications for the car or *trailer*, or was not properly secured;
- on a race or speedway track or in an organised event, whether or not the road was closed to public traffic;
- in preparation for, or when participating in, a race, time-trial, hill-climb or any competitive motor sport or contest;
- in a professional driver education course that involved speeds greater than 110km/h; or
- for any illegal purpose.

Reasonable actions and precautions

There is no cover if:

- *you* or the driver of *your car* did not take reasonable precautions to prevent loss or damage, for example:
 - leaving *your car* keys inside *your car* and leaving it unattended, such as when going to pay for petrol;
 - failing to lock *your car's* windows and doors when *you* leave it unattended;
 - continuing to drive *your car* after it has been damaged or is overheating; or
 - not securing *your car* after it has broken down, been damaged or *you've* been notified it has been found after it was stolen;
- *you've* given someone permission to use *your car* and they then steal it; or
- *you* or anyone using *your car* admits fault or liability for an *incident*, unless *we* would have provided cover under *your policy* anyway.

Condition of your car

There is no cover if, at the time of the *incident*, *your car*:

- did not meet registration requirements in *your* state or territory; or
- was unroadworthy or in an illegal condition, unless its condition did not cause or contribute to the *incident*.

Other loss or damage

There is no cover for:

- tyre damage unless it's caused in an *incident* for which *we've* agreed to pay a claim;
- mechanical, structural, electronic or electrical failure, unless it's caused in an *incident* for which *we've* agreed to pay a claim;
- deterioration or wear and tear;
- depreciation;
- mould, rust or any type of corrosion;
- financial or non-financial consequential loss related to *your* claim, such as:
 - lost profits or income because *you* can't use *your car*;
 - loss due to delay in covered repairs because a part isn't readily available;
 - any diminished value of *your car* after it's been properly repaired; or
- anything set out in 'But not...' in the Features table in the **Fire and theft cover option**.

Operation of law, war, nuclear material or terrorism

There is no cover for loss or damage arising from:

- lawful seizure, repossession or other operation of law;
- invasion, war, civil war or rebellion;
- a nuclear weapon or nuclear fuel, waste or material;
- an act of terrorism including one arising from a biological, chemical or nuclear weapon, or related pollution or contamination;
- any fine, penalty or punitive damages, against anyone who uses *your car* or a replacement car or a substitute car;

Sanctions and laws impacting cover

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that:

- to do so may expose *us* to any sanction, prohibition or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country;
- it is illegal for *us* to do so.

Claims

This section explains *our* claims process. For additional information about excesses and for examples of how *we* pay claims under this policy, read the Australia Post Third Party Property Damage Car Insurance Additional Information Guide at auspost.com.au/carinsurance or call **13 70 11** for a copy at no charge by *us*.

In this claims section any reference to '*you*' means the *insured*, any driver or any passenger of *your car*.

We handle many car insurance claims every day. We know that some of *our* customers face difficult circumstances when making a claim on their car insurance policy. In some cases, *your* circumstances might prevent *you* from strictly complying with policy terms and conditions. For example, if *you* are badly injured in an incident that also results in a claim under this policy, then *you* may not be able to provide the assistance *we* normally need to process *your* claim.

If relevant, please see *our* Financial Hardship and/or Family and Domestic Violence policies available at qbe.com/au

If this applies to *you*, then *you* or *your* family should speak to *us* about *your* situation. We will consider *your* situation and see how *we* can help *you*.

You can ask *us* if *your* policy covers a particular loss before *you* actually make a claim.

What you must do after an incident

As soon as possible after an *incident* *you* must:

- take reasonable steps to:
 - prevent further damage to *your car* and keep it secure;
 - get the full name and address of each person involved;
 - get the registration numbers of any vehicles involved; and
- report the *incident* to police if *your car* is stolen or deliberately damaged.

As soon as *you* can after the *incident*, call **13 70 11** to make *your* claim, or lodge it online at auspost.com.au/carinsurance

If the situation requires urgent attention, please call *us*. We're available 24 hours, 7 days a week. If, as a result of an incident, *you* are in urgent financial need of the benefits *you're* entitled to under *your* policy, please call *us* as soon as possible to see how *we* can assist *you*.

If *you* have an existing claim and need access to an interpreter, please contact *your* Claims Officer directly

What you must not do after an incident

We reserve the right to reduce *your* claim payment if *your* actions after an incident increase the loss or liability. If *your* actions prevent *us* from recovering a claim payment from another person who would be liable to *you* for a loss or liability that *you* suffer, then we may refuse to pay *your* claim.

To avoid *your* claim being delayed, reduced or refused *you* must not:

- ✗ admit fault or liability, except in a court or to police;
- ✗ offer or negotiate to settle a claim; or
- ✗ authorise repairs;
- ✗ unnecessarily delay notifying *us* of the incident.

Cooperating with us

You must provide reasonable assistance to *us*, including:

- being truthful and frank at all times;
- providing *us* with relevant information and documents we may ask for, such as proof of purchase or repair quotes, if needed;
- telling *us* promptly if *you*'ve been contacted by someone about an incident, such as another insurer or a third party's lawyer;
- attending one or more interviews about the claim if we ask *you* to;
- appearing in court and give evidence if needed;
- making *your car* available for *us* to inspect or examine;
- taking *your car*, or allowing *us* to take it, to a place we require;
- responding to *our* requests in a timely manner.

At all times *you* must refrain from behaving in a way that's improper, hostile or threatening towards *us*, *our* representatives, repairers or third parties involved in an incident.

If *you* don't cooperate with *us* it may delay *your* claim, or we may reduce or refuse to pay *your* claim.

How we settle claims for covered damage to your car

If *your* claim for loss of or damage to *your car* is accepted, when it is covered under *your policy*, and:

- *your* claim is under the **Damage caused by uninsured driver** standard feature, *we'll*:
 - repair *your car* or pay the reasonable amount it would cost to repair *your car* up to \$5,000; or
 - assess *your car* as a *total loss* and pay the *market value* of *your car* up to \$5,000.
- *your policy* has the **Fire and theft cover option** added, *we'll*:
 - repair *your car* or pay the reasonable amount it would cost to repair it, up to the amount shown on *your Certificate of Insurance*; or
 - assess *your car* as a *total loss* and pay the *market value* of *your car* up to the amount shown on *your Certificate of Insurance*.

If *your* claim is for a replacement car covered under **Change of car** in this policy, *we'll* follow the same process as explained above, except that a reference to market value will mean its fair market value just prior to the *incident*.

Repairing your car when it is covered under this policy

If *your* claim is accepted and *we* repair *your car* under the **Damage caused by uninsured driver** standard feature or the **Fire and theft cover option**, *we'll* arrange for *your car* to be repaired by a QBE Accredited Smash Repairer or another licensed repairer of *our* choice. *We'll* manage *your car's* physical repair process, including choosing the suitable repair method. If needed, *our* repairer will sub-contract some of the repairs.

If *your car* is safe to drive, *you'll* need to take it to *our* chosen repairer. If *your car* is not safe to drive and *your* claim is under the **Fire and theft cover option**, *we'll* arrange for it to be taken there.

If *we* repair *your car* under the **Fire and theft cover option**, *we're* entitled to keep any parts or materials salvaged from it.

Replacing damaged parts when we repair your car under this policy

If *your car* was first registered:

- less than 3 years ago, we'll use genuine new parts when they are reasonably available.
- more than 3 years ago:
 - for mechanical parts we'll only use genuine new or genuine reconditioned parts;
 - for other parts we'll use genuine new parts, unless they are not reasonably available. If they're not available, we'll use genuine used parts.

Regardless of *your car's* age, we may use quality non-genuine parts for windscreen, sunroof, window glass, radiator or air conditioning repairs or replacements. When we use non-genuine parts they will:

- be consistent with the age and condition of *your car*;
- not affect the safety or structural integrity of *your car*; and
- comply with applicable Australian Design Rules.

If a certain part isn't readily available, we'll pay *you* the last known price of that part.

Our repair guarantee when we repair your car under this policy

We'll guarantee the quality of workmanship and materials used in repairs authorised and managed by us, for as long as the owner of *your car* does not change. If *you* have concerns about the repairs to *your car* you must:

- call 13 70 11; and
- allow us to inspect *your car* and arrange any additional repairs that we agree with you are needed.

We will not pay for any additional repairs we don't authorise.

If it is determined that additional repairs are needed and we decide that it's not economical to carry them out, *your car* will be assessed as a *total loss*. If this happens:

- while *your car* is still insured with us, we'll either pay the *market value* of *your car* or up to the amount shown under the relevant cover limit in this policy, whichever is lower; or
- after *your car* is no longer insured with us, we'll pay its *market value* (but calculated at the time *your car* is assessed as a *total loss*) or up to the amount shown under the relevant cover limit in this policy, whichever is lower.

Damaged car identification

We'll do *our* best to obtain replacements of damaged build, VIN or compliance plates or labels, from *your car's* manufacturer. If they're not available, we'll request a letter from the manufacturer confirming the identity of *your car* and the fact that the identifier was damaged.

We'll otherwise repair *your car* without replacing the damaged identification, unless the law says we must.

Paying the reasonable cost of repairs

If *your* claim is accepted under the **Damage caused by uninsured driver** standard feature or the **Fire and theft cover option** *you've* added to *your policy*, we'll settle *your* claim as explained in **How we settle claims for covered damage to your car**.

Alternatively, we'll pay the reasonable cost of repairing *your car*:

- if *you* disagree with *our* assessment of required repairs or their cost;
- if parts needed for repairs are not readily available;
- if we're concerned about the pre-incident condition of *your car*; or
- if we're concerned about the timing or conduct of repairs.

In these circumstances, we will pay *your car's* owner the reasonable cost of repairs or parts, up to the *market value* of *your car* or up to the amount shown under the relevant cover limit in this policy, whichever is lower.

To help determine the reasonable cost of repairs we may organise a quote and scope of repairs from an alternative licensed repairer we both agree on. This may require *your car* to be moved. If *your car* is not safe to drive and *your* claim is under the **Fire and theft cover option**, we'll arrange for it to be taken to that repairer.

Should a part not be readily available, we'll pay *you* the last known price of that part from a reputable commercial retailer at the time we settle the claim. When we pay the reasonable cost of repairing *your car* or reasonable cost of replacing parts for *your car* under this policy, *you'll* need to pay the applicable excess and arrange the repairs to *your car*.

Determining if your car is a total loss

An *MVIRI* Code-approved assessor will assess *your car* to be a *total loss* if it is:

- damaged in a covered *incident*, and uneconomical to repair; or
- stolen and not found within 14 days of its theft being reported to police, and *your* claim is in order.

Continued next page...

Determining if your car is a total loss (continued...)

In any assessment of whether *your car* is a *total loss*, we will also have regard to the applicable State or Territory laws or regulations as to when a vehicle is considered a write off.

When *your car* has been assessed as a *total loss*:

- and *your claim* is under the:
 - **Damage caused by uninsured driver** standard feature, *you'll keep your damaged car*;
 - **Fire and theft cover option**, *we'll keep your damaged car*;
- *your policy* comes to an end; and
- there is no premium refund as *you* have received the benefits under the policy and *we've fulfilled our contract with you*.

Paying the market value

If *your car* has been assessed as a *total loss*, *we'll pay you* the relevant amount explained under the heading **How we settle claims for covered damage to your car**, less the following deductions:

- any excesses that apply to *your claim*;
- any remaining premium instalments for the *period of insurance* in which the *incident* occurred; and
- the value of *your damaged car* only if we have agreed with you that *you* can keep it.

When *your car* is a *total loss*, and no one else has a financial interest in it, *we'll pay* its owner the settlement amount. If someone else has a financial interest in *your car*, *we'll pay* them what they're entitled to receive and pay the owner any balance up to the value of the claim. *We will not pay* any financier's late fees, interest or other administration fees. The owner will need to remove any registered security interest in *your car* after *we settle your claim as a total loss*.

Claim payments and GST

We pay claims inclusive of GST unless the owner of the car is a business which is, or needs to be, registered for GST. In that case, *we'll reduce* the amount *we pay* to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim *we pay*.

Excesses

In most cases, *you'll* need to contribute an amount towards the cost of any claims *you* make. *Your* contribution may be made up of one or more of the following excess types. The excess types and amounts that apply to *your policy* will be shown on *your Certificate of Insurance*.

For additional information about excesses and how they apply to *your policy*, read the Australia Post Third Party Property Damage Car Insurance Additional Information Guide at auspost.com.au/carinsurance or call 13 70 11 for a copy.

Basic excess

The basic excess applies to all claims unless we accept *your* claim under:

- the **Fire and theft cover option** and *you* can provide *us* with the full name and address of the person responsible for the incident; or
 - the **Damage caused by uninsured driver** standard feature.
-

Age excess

An age excess applies when the driver of *your car* is under the age of 25 at the time of the *incident* and they cause or contribute to that *incident*. It applies in addition to the basic excess and any other applicable excess for the claim.

An age excess does not apply to a learner driver.

Additional policy excess

An additional policy excess may apply to *your policy* as a result of the insurance history of *your car* or its driver. It applies in addition to the basic excess and any other applicable excess for the claim.

An additional policy excess does not apply to a learner driver.

Additional driver excess

An additional driver excess may apply to *your policy* as a result of the driver's details, including their insurance history. It applies in addition to the basic excess and any other applicable excess for the claim when that driver causes or contributes to the *incident*.

An additional driver excess does not apply to a learner driver.

How we collect the excess

When an excess applies to *your* claim, depending upon the type of claim we'll:

- ask *you* to pay it to the repairer or supplier;
- ask *you* to pay it to *us* before we finalise the claim; or
- deduct it from any settlement amount we pay under the claim.

We will not pay for any costs that result from a delay in paying an excess.

Claims administration, going to court and recovery action

When we pay a claim under *your policy*, we have the right to exercise *your* legal rights in your name against the person responsible for the loss or damage.

We'll take full control of the administration, conduct or settlement of the recovery, including any legal defence. When we do any of these things in *your* name, it will be at *our* expense, however *you'll* need to give *us* reasonable assistance. This may include following our directions in relation to the conduct of any legal proceedings even after a claim has been paid.

When we pay a claim and some of the loss isn't covered by *your policy*, we may offer to try to recover that loss for *you* when we take any steps to recover the covered loss. We can only do so if *you* agree to give *us* documents that support *your* loss and agree with *us* on how we'll handle that recovery. *You* may also need to contribute to the associated costs if, to recover the loss for *you*, we need to take additional steps that we wouldn't otherwise need to take. We will talk to *you* about these steps before we take them.

If *you've* received a benefit under *your policy* that *you* were not entitled to, we reserve the right to recover from *you* the amount we have paid. If we decline a claim for fraud, we reserve the right to recover *our* reasonable administration, investigation and legal costs.

Contribution and other insurance

When making a claim, *you* must notify *us* of any other insurance that *you're* aware will or may, whether in whole or in part, cover any loss insured under *your* policy.

If at the time of any loss, damage or liability there's any other insurance (whether issued to *you* or any other person) which covers the same loss, damage or liability *you* must provide *us* with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Preventing our right of recovery

If *you've* agreed with or told someone who caused *you* loss, damage or liability that *you* won't hold them responsible, then *we* won't cover *you* for that loss, damage or liability.

Other interests

You must tell *us* of the interest of all parties (e.g. financiers, lessors or owners) who'll be covered by *your* policy. *We'll* protect their interests only if *you've* told *us* about them and *we've* noted them on your *Certificate of Insurance*.

Any person whose interests *you've* told *us* about and *we've* noted on your *Certificate of Insurance* is bound by the terms of *your* policy in relation to any claim they make.

Paying, renewing and cancelling

Paying your premium

Your premium is the cost of your policy. It is the amount we set by taking into account things like the chance of you making a claim under your policy, the cover options you've chosen as well as other factors including our costs of doing business. Your premium also includes GST and other applicable government fees, duties and charges.

We'll let you know how much premium you need to pay us, how to pay it and when. You must pay us your premium on time to stay covered. For more information about how we set your premium, read the Australia Post Third Party Property Damage Car Insurance Additional Information Guide at auspost.com.au/carinsurance or call us for a copy at no charge by us.

We offer you several ways to pay your premium, including by direct debit which is explained below.

Paying by direct debit

You can choose to pay your premium annually or in instalments by direct debit.

If you choose to pay by direct debit, you authorise us to debit your nominated account for the agreed premium. If the scheduled debit date shown on your Certificate of Insurance is a NSW public holiday or bank holiday, we'll debit your account on the next business day. We'll give you at least 14 days' notice if we change the way the direct debit of your policy works.

You need to make sure your nominated account details are correct and up to date. This includes advising us of the expiry date of a payment card or a change to the payment method.

If your nominated account details change you must tell us at least 7 days before the next instalment is due to allow us to process the change in time.

You need to have enough funds in your nominated account to allow our scheduled debit. If you don't, you'll be responsible for any fee or interest charged by your financial institution. You can also choose to stop your direct debit by contacting your financial institution.

Check with your financial institution whether your account allows direct debits.

Important – what happens if your direct debit fails

If *you've* chosen to pay *your* premium **annually** by direct debit and we don't receive *your* payment on time, we may cancel *your policy* as permitted by law and refuse to pay a claim.

If *you've* chosen to pay *your* premium by direct debit **instalments** and an instalment remains unpaid for one month or more, we may cancel *your policy* and refuse to pay a claim.

Renewing your policy

If we offer to renew *your policy*, we'll send *you* a renewal *Certificate of Insurance*. If *you* make any changes to *your policy* after we send *you our* renewal offer, and we agree to continue to insure *you*, we'll send *you* an updated renewal offer and *you'll* need to pay *us* any additional premium to ensure *your* cover is not affected.

If you pay your premium by direct debit

If *you* pay *your* premium by direct debit and we offer to renew *your policy*, we'll continue to debit *your premium payments*, either annually or in instalments, whichever *you've* previously chosen.

If *you* don't want to renew, *you* must tell *us* at least 7 days before *your policy's* end date to allow *us* to process the change in time.

Cancelling your policy

You can cancel *your policy* at any time by telling *us*. We can cancel *your policy* as permitted by law, for example when *you* do not pay *us your* premium or if *you* told *us* something that *you* knew to be incorrect or untrue during *your* application for cover.

If *you've* paid *your* premium in advance and *your policy* is cancelled, we'll refund *you* the proportion of the premium for the remaining *period of insurance*, minus any non-refundable government fees, duties or charges.

If *you* make a fraudulent claim on *your policy*, we can cancel it and we won't provide any refund.
