When there is more than one insured

When there is more than one *insured* on *your* policy, we may treat what any one of them says or does in relation to *your* policy or any claim under it, as said or done by each of the *insureds*. We may rely on a request from one *insured* to change or cancel *your* policy or tell *us* where a claim payment should be paid. Where a payment is made to one *insured* under this policy, we have no further obligations to any other *insured* regarding that payment.

About your policy

Interests in the policy

You must not transfer any interests in your policy without our written consent.

Any person whose interests *you've* told *us* about and *we've* noted on *your Certificate of Insurance* is bound by the terms of *your* policy in relation to any claim they make.

If you have used all or part of your buildings or contents as security for a loan from a lender, we may pay the lender all or part of the payment made when settling your claim. For more information, see **Lender's rights**.

Cooling-off period

If you change your mind about your policy and haven't made a claim, you can cancel it within 21 days of the start or renewal date and we'll give you a full refund. If you cancel your policy in these circumstances, you will have no cover under the policy.

You can also cancel your policy outside the cooling-off period, see Cancelling your policy.

Tell us when these things change

You must tell *us* as soon as reasonably possible if any of the following information on *your Certificate of Insurance* is incorrect or has changed.

Things you must tell us	If you have buildings cover	If you have contents cover
You move house	~	~
You're planning demolition or construction work including renovations, alterations, additions or repairs at the <i>property address</i> with a commercial value greater than \$20,000	~	~
Your home will be unoccupied for any period longer than 90 consecutive days	~	~
The occupancy of <i>your</i> home changes, for example, <i>you</i> plan to rent all or part of it out to boarders, tenants or paying guests	~	~
You start operating a business or generating a regular income from the <i>property address</i> other than a home office taking up less than 20% of the home	~	~
Note: Doing office work in a home office, including working from home for <i>your</i> employer is not considered to be operating a business.		
You add or change mortgage lenders	~	×
You want to increase your sum(s) insured	~	~
You want to add Specified Contents or Portable Contents or increase any specified limit	×	~

If you don't tell us, we may reduce or refuse to pay a claim.

When *you* tell *us* about something that has changed or request a change to *your* policy, *we* will assess the change to the risk in accordance with *our* underwriting rules and processes.

About your policy

Changes to your cover

If you request any change to cover (e.g. you choose to add an optional cover or you increase your sum(s) insured) then, if we agree to the change, we will issue a new *Certificate of Insurance* and ask you for any additional premium. If an additional premium is required, the change will only be effective when:

- if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- you have paid the additional premium by the due date we give you.

If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, the change will not be effective and we will confirm this by issuing a replacement *Certificate of Insurance*.

If *you* request any change to cover and *we* don't agree to the change, then *we* will let *you* know and the policy will continue unchanged.

Changes to your circumstances

If you tell us about a change in your insured property's address then we will consider it under our underwriting rules and processes, and depending on the underwriting assessment:

- if we do not agree to the change, we will cancel your policy and refund the unused portion of the premium.
- if we agree to the change, we will issue a new Certificate of Insurance and ask you for any additional premium, inform you of any change in terms, and any additional applicable excess(es).
 If an additional premium is required, the change will only be effective when:

Contact *us* on **133 723** to discuss potential changes in circumstances when *you* know the details of the timing and nature of the changes before they happen, to find out in advance whether *we* will be able to continue to insure *your buildings* and/or *contents*.

Changes of these kinds sometimes alter the risk to us in such a significant way that it is no longer within our underwriting rules, and we would not have issued the policy if the request had been made before the start of the policy.

- if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- you have paid the additional premium by the due date we give you.

Changes to your circumstances (continued...)

If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, then we will cancel your policy. We will use the latest contact details you provided us to notify you of the cancellation date, which will depend on factors including:

- the amount of the additional premium payable for the change;
- the premium you have already paid on your policy; and
- the remaining *period of insurance*.

You will not receive a refund as we will use the premium you have already paid to delay the cancellation date by as long as possible. If you pay the additional premium after we notify you but before the cancellation date, then we will no longer need to cancel your policy.

If you tell us about any of the following changes then we will cancel your policy and refund any unused portion of the premium:

- you are removing the roof (except if the roof is fully reinstated within 24 hours of the commencement of its removal), or removing or changing supporting walls, underpinning, foundations or piers in a residential building at the property address; or
- you start operating a business or generating a regular income from the property address other than a home office taking up less than 20% of the home: or
- the occupancy of your home changes, for example, you plan to rent all or part of it out to boarders, tenants or paying guests.

Doing office work in a home office, including working from home for *your* employer, is not considered to be operating a business.

If you tell us about a change in mortgage lender we will note them on the Certificate of Insurance.

If *you* tell *us* about any other change, *we* will consider it under *our* underwriting rules and processes at the time.

Your sums insured

Your home is unique and it's important to insure for the right sum(s) insured because, if *you* underinsure, it could be financially devastating. For example, if *your* home was *damaged* significantly in a fire, and *your* sum(s) insured wasn't enough to fully rebuild *your* home and/or replace *your contents*, *you'd* have to pay the shortfall yourself.

If you have buildings cover - your buildings sum insured

Your buildings sum insured should include things like the cost of:

- the materials and labour needed to rebuild *your* home;
- demolition and removal of debris:
- work required to prepare the land for a rebuild;
- constructing a similar building to applicable building codes, taking into account new or enhanced requirements introduced since the building was built;

Different building code requirements may apply to homes in bushfire- and cyclone-prone locations.

- constructing a similar building on sloping land (where relevant): and
- professional fees e.g. architects' and surveyors' fees,

so that you have adequate cover in the event of a total loss.

The amount *you* select is called *your* 'buildings sum insured' - it'll be shown on *your* Certificate of Insurance.

Buildings Sum Insured Safeguard

If you have the Buildings Sum Insured Safeguard, it will be shown on your Certificate of Insurance. If you have the Safeguard and make a claim that exceeds your buildings sum insured, we'll pay up to 30% more than the buildings sum insured shown on your Certificate of Insurance. This Safeguard applies to a claim where we:

- · repair or replace your buildings; or
- pay you the reasonable cost to repair or replace your buildings at the property address.

For an example of how the Buildings Sum Insured Safeguard may apply, see *our* Home Insurance Additional Information Guide at **qbe.com/au** or call *us* on **133 723** for a copy at no charge by *us*.

If you have contents cover - your contents sum insured

Your contents sum insured, should be the cost to replace all *your contents* at today's prices so that *you* have adequate cover in the event of a *total loss*.

This is sometimes known as a 'new for old' replacement policy because, if *your contents* are stolen or *damaged* and unable to be repaired, *your* policy will cover the purchase of a new equivalent item, where possible.

The amount *you* select is called *your* 'contents sum insured' - it'll be shown on *your* Certificate of Insurance.

About your policy

Changing your sum(s) insured

You should consider updating *your* buildings and/or contents sum(s) insured when making changes such as:

When you should consider changing your sum(s) insured	If you have buildings cover	If you have contents cover
Alterations, additions or renovations	~	~
If you determine that you are underinsured, for example, after getting advice from a quantity surveyor on the replacement value of your home or, after reassessing the value of your contents while making an inventory of your possessions.	~	~
You buy items that increase the value of your contents Note: Limits apply to some contents items. See Contents with limits.	×	~
You buy jewellery, watches, artworks, rugs or antiques, or you buy or add to a collection worth more than the limit set out in Contents with limits	×	~

Whilst *you* should take care not to be underinsured, *you* should also consider reducing *your* contents sum insured if *you* sell or dispose of items without replacing them.

Sum(s) insured adjustment feature

We'll increase *your* sum(s) insured by 0.5% for each whole calendar month until *you* next renew *your* policy to help with increases in replacement costs.

We will not increase *your* sum(s) insured for any *Specified Contents* or *Portable Contents* covered under *your* policy.

For an example of how the sum(s) insured adjustment feature works in practice, see *our* Home Insurance Additional Information Guide at **qbe.com/au** or call *us* on **133 723** for a copy at no charge by *us*.

Your sum(s) insured at renewal

Normally, before *your* policy ends each year, *we'll* send a renewal invitation and let *you* know the renewal premium. *We* may increase *your* sum(s) insured, to allow for increases in replacement costs. This may not be the same as 12 x 0.5% under the **Sum(s) insured** adjustment feature.

You'll still need to check your sum(s) insured to make sure the amount is appropriate and that you're not underinsured.

We will not automatically adjust the sum(s) insured for any *Specified Contents* or *Portable Contents* covered under *your* policy.

Over-insuring

If you over-insure your buildings and/or contents and they are a total loss, we will only pay the reasonable cost to replace or rebuild them to a condition substantially the same as, but not better than, when new.

When you take out this policy you can choose:

- buildings cover only;
- contents cover only; or
- buildings and contents cover.

Your Certificate of Insurance will show the cover you've chosen and your sum(s) insured.

Buildings cover

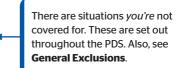

This cover applies to the *buildings* (including their *fixtures*) at the *property address* shown on *your Certificate of Insurance* when *you* have chosen buildings cover or buildings and contents cover.

What you're covered for

We'll cover you:

- for damage to your buildings caused by the Insured Events listed in this PDS;
- under Standard Features applicable to buildings cover;

- under the Accidental Damage option if you've chosen to add it to your policy, and it's shown on your Certificate of Insurance; and
- for legal liability caused by an occurrence during the period of insurance at your property address, unless otherwise stated.

Contents cover

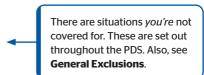

This cover applies to *your contents* when *you* have chosen contents cover or buildings and contents cover.

What you're covered for

We'll cover you:

- for damage to your contents caused by the Insured Events listed in this PDS;
- under Standard Features applicable to contents cover;

- under the Accidental Damage option and/or the Portable Contents option if you've chosen to add it to your policy and it's shown on your Certificate of Insurance; and
- for legal liability caused by an occurrence during the period of insurance anywhere in the world other than at your property address.

Contents with limits

Some *contents* items have standard policy limits. If *you* make a claim for loss of or *damage* to one of the items in the table on the next page, *we* won't pay more than the limit shown unless:

- you have told us about the item and the cost to replace it (see Can the limit be increased? in the table on the next page); and
- we have agreed to cover the item for more than the standard policy limit; and
- it is shown as a Specified Contents item on your Certificate of Insurance.

If you have an item that could fall under more than one category in the table on the next page, we will treat that item as though it is in the category with the lowest applicable limit.

For example, *jewellery*, watches and *collections* are not considered *antiques* under this policy, even if they are over 100 years old. The lower limits in the table for *jewellery* and watches and *collections* apply to these items, not the *antiques* limit.

If the standard policy limit will not be enough to cover the repair or replacement of a particular item, *you* should tell *us* about the item and the cost to replace it so that *we* can consider whether to agree to cover it for more than the standard policy limit.

The cover

Item	Standard policy limit	Can the limit be increased?
Jewellery and watches	\$2,500 per item, set or pair	~
Collections	\$5,000 per collection	~

Cash, vouchers, coupons, gift cards, money orders, negotiable financial documents, bullion, ingots, uncut and/or unset gemstones	\$800 in total	×
Items used by <i>you</i> or <i>your family</i> for earning any income (but not including items ordinarily used in a home office)	\$5,000 in total	×

Food and prescribed medicines that must be refrigerated or frozen	\$500 in total, once in a period of insurance	×

Specified Contents

Specified Contents are items *we've* agreed to cover for more than the standard policy limits that would otherwise apply.

The most we'll pay for your Specified Contents items is the Specified item limit shown on your Certificate of Insurance.

Where are your contents covered?

Your contents are usually only covered at *your property address*. Limits and exclusions apply to *contents* and Portable Contents wherever they're covered, as set out throughout the PDS.

There are some specific limits and exclusions for *contents* in the *open air* at the *property* address under the Insured Events: **Theft or burglary** and **Storm, storm surge, rain, hail or flood**.

There is some limited cover away from the *property address* in particular situations where *you* move to a new permanent residence. Please see details in the Standard Features **Contents in transit to your new residence** and **Cover when you move house**.

If you have Portable Contents shown on your Certificate of Insurance, they are generally covered anywhere in Australia and New Zealand, and anywhere in the world for up to 90 days. There are some specific exclusions that apply to Portable Contents, including when they are in transit to a new permanent residence. See **What you're not covered for** under the Portable Contents option.

The table below is a quick guide on where certain *contents* items are covered:

Operation of law, war, nuclear material or terrorism

There is no cover under any section of *your* policy for any claims, loss, cost, *damage*, injury, death or legal liability, that is caused by, or arises from or in connection with:

- compulsory acquisition, lawful seizure, confiscation, nationalisation, requisition, repossession or other similar operation of law;
- invasion, acts of foreign enemies, hostilities, war or war-like operations (whether war be declared or not), or civil war:
- mutiny, civil commotion assuming the proportions of, or amounting to, a popular rising, military rising, insurrection, rebellion, revolution, military or usurped power;
- a nuclear weapon, the use, existence or escape of nuclear fuel, waste, radiation or material, or nuclear fission or fusion:
- any act of terrorism involving biological, chemical, nuclear or radioactive pollution, contamination or explosion.

Sanctions limitation and exclusion

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that to do so may expose *us* to any sanction, prohibition or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

Laws impacting cover

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that it is unlawful for *us* to do so.

Multiple causes

Where loss, damage, injury or death has two or more causes and at least one of those causes is excluded by this policy, we will not provide any cover, pay any claim or provide any benefit under this policy.

This section explains *our* claims process. For examples of how *we* pay claims under this policy, read *our* Home Insurance Additional Information Guide at **qbe.com/au** or call *us* on **133 723** for a copy at no charge by *us*.

We handle many home insurance claims every day. We know that some of our customers face difficult circumstances when making a claim on their home insurance policy. In some cases, your circumstances might prevent you from strictly complying with policy terms and conditions. For example, if you are badly injured in an incident that also results in a

If relevant, please see our Financial Hardship and/or Family and Domestic Violence Customer Support policies available at **qbe.com/au**

claim under this policy, then *you* may not be able to provide the assistance *we* normally need to process *your* claim. If this applies to *you*, then *you* or *your family* should speak to *us* about *your* situation. *We* will consider your situation and see how *we* can help *you*.

You can ask us if your policy covers a particular loss before you actually make a claim.

What you must do after an incident

As soon as reasonably possible after an *incident you* must:

- take reasonable steps to:
 - prevent further loss or damage to your property and keep it secure;
 - o get the full name and address of each person involved; and
- report the *incident* to police if something was lost, stolen or deliberately *damaged* and provide details of the report to *us*. We may need the police report number to process your claim or our recovery action if there is a third party who is liable for your loss.

As soon as *you* can after the *incident*, call *us* on **133 723** to make *your* claim, or lodge it online at **qbe.com/au** If the situation requires urgent attention, please call *us*. *We're* available 24 hours, seven days a week.

If, as a result of an *incident*, *you* are in urgent financial need of the benefits *you're* entitled to under *your* policy, please call *us* as soon as possible to see how *we* can assist *you*.

What you must not do after an incident

We reserve the right to reduce *your* claim payment if *your* actions after an *incident* increase the loss or liability. If *your* actions prevent *us* from recovering a claim payment from another person who would be liable to *you* for a loss or liability that *you* suffer, then we may refuse to pay *your* claim. To avoid *your* claim being delayed, reduced or refused *you* must not:

- admit fault or liability, except in a court or to police. Call us if you would like guidance;
- offer or negotiate to settle a claim against you;
- unnecessarily delay notifying us of the incident;
- enter into any agreement with anyone else which could limit the amount that could be recovered from them:
- agree not to seek compensation from any person liable to compensate you;

- authorise repairs without our consent, other than as covered in the Standard Feature Emergency temporary repairs. If you do, we may not cover them: or
- dispose of damaged items unless we've first agreed to this. This is so we can establish
 the cause or extent of the damage to quickly and accurately assess your claim.
 Call us on 133 723 if you would like guidance including where there is hazardous
 material present.

Cooperating with us

You must provide reasonable assistance to us, including:

- being truthful and frank at all times;
- providing us with relevant information and documents we ask for, such as proof of purchase or repair quotes, if needed;
- telling us as soon as reasonably possible if you've been contacted by someone about an incident, such as another insurer or a third party's lawyer;
- attending one or more interviews about the claim if we ask you to;
- appearing in court, giving evidence or providing a formal statement, if needed;
- making your property available for us to inspect or examine; and
- responding to our requests as soon as reasonably possible.

Cooperating with us (continued...)

If you don't cooperate in any of these ways, it may delay your claim, or we may reduce or refuse to pay your claim.

At all times *you* must refrain from behaving in a way that's improper, hostile or threatening towards *us*, *our* representatives, *our* suppliers or third parties involved in an *incident*. Such behaviour may result in *our* not inviting *you* to renew *your* policy when it expires.

Contribution and other insurance

When making a claim, *you* must notify *us* of any other insurance that *you're* aware will or may, whether in whole or in part, cover any loss insured under *your* policy.

If at the time of any loss, *damage* or liability there's any other insurance (whether issued to *you* or any other person) which covers the same loss, *damage* or liability *you* must provide *us* with any reasonable assistance *we* require to make a claim for contribution from any other insurer(s).

Salvage

If we pay a claim by replacing or paying to replace any items or materials, we're entitled to obtain and retain any items or materials salvaged or recovered. We may sell the items or materials and keep the proceeds. If you ask us, we may agree to sell the items or materials to you, provided you agree to pay the fair market value. This is the price we could get if we sold the items or materials to someone else who is willing and able to buy them. If there is no market for the items or materials, then we will base the amount on enquiries made to appropriately experienced or qualified third party professionals.

What happens to your buildings and/or contents sum(s) insured after a partial loss?

Following payment of a claim, other than for a *total loss* claim, *your* sum(s) insured will remain unchanged unless *you* request otherwise.

What happens after a total loss?

Buildings and/or contents

Cover ends when *your* claim has been accepted. However, *we'll* still pay for the following Standard Features if they apply to *your cover*, they are directly connected to the *total loss* and they continue to be relevant:

- Temporary accommodation costs
- Temporary storage of contents
- Environmental upgrade buildings
- Environmental upgrade contents
- Mortgage discharge
- Improved security

If you have buildings cover, we may continue to cover your legal liability in relation to the property address for a limited period. See the legal liability Standard Feature Legal liability extension if your buildings are a total loss for details.

Specified Contents and Specified Portable Contents

Cover ends for the item when your claim has been accepted.

Portable Contents - Categories

Cover ends for the category when *your* claim has been accepted and *we* pay the full category limit to repair or replace the item(s).

If you want to insure any replacement items or reinstate a category limit, then you will need to ask us. If we agree and you pay the additional premium, it will be shown on your Certificate of Insurance.

Your premium after a total loss

If you paid your premium annually there is no premium refund.

If you paid in instalments – you will still need to pay the total of any remaining premium instalments for the *period of insurance*. If your policy comes to an end, depending on how we settle your claim, we will either deduct the total of all remaining instalments from your claim settlement or we will ask you to pay the total to us.

The total premium is payable and non-refundable because *you* have received the benefit of the cover *we* provide under the policy.

Lender's rights

If we're settling your claim by paying you (instead of paying our repairer or other service providers), and you have used all or part of your buildings or contents as security for a loan from a lender, we reserve the right to pay all or part of the payment to the lender.

The amount we pay to the lender will be the lesser of:

- the amount owing to them (with any balance paid to you); or
- the amount we have agreed to pay in settlement of the secured property.

A payment made to a lender will satisfy our obligation to you for the amount paid.

For more information about other interests in your policy, see **Interests in the policy**.

Claim payments and GST

We pay claims inclusive of GST unless the owner of the property is a business which is, or needs to be, registered for GST. In that case, we'll reduce the amount we pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim we pay.

There may be other taxation implications affecting *you*, depending upon *your* own circumstances. *We* recommend *you* seek professional advice.

Unless we say otherwise, all amounts in your policy are inclusive of GST.

Claims administration, going to court, recovery action and legal liability claims

If you suffer loss or damage due to an incident for which someone else is responsible, you may have a legal right to recover some or all of the loss or damage from that person, including by taking legal action against them. When we pay a claim under your policy, we have the right to exercise your legal rights in your name against the person responsible for the loss or damage. We'll take full control of the administration, conduct or settlement of the recovery, including any legal defence.

When we do any of these things in your name, it will be at our expense, however you'll need to give us reasonable assistance. This may include following our directions in relation to the conduct of any legal proceedings even after a claim has been paid. You must not enter into any agreement with anyone else which could limit the amount that could be recovered, including joining class action proceedings, without our permission.

Claims administration, going to court, recovery action and legal liability claims (continued...)

When we pay a claim and some of your loss isn't covered by your policy, we may offer to try to recover that loss for you when we take any steps to recover the covered loss. We can only do so if you agree to give us documents and statements that support your loss and agree with us on how we'll handle that recovery. You may also need to contribute to the associated costs if, to recover the loss for you, we need to take additional steps that we wouldn't otherwise need to take.

If we successfully recover more than we paid for your claim under your policy, we will first keep the amount we paid for your claim and the amounts we paid in administrative and legal costs spent towards making the recovery. If there is any amount remaining after this, we will pay you the remainder to compensate you for loss that was not insured. Finally, we will keep any remaining amounts.

If you've received a benefit under your policy that you were not entitled to, we reserve the right to recover from you the amount we have paid. If we decline a claim for fraud, we reserve the right to recover any amounts we paid to you under the policy as well as our reasonable administration, investigation and legal costs from anyone at fault in relation to the fraud.

When we cover you for a legal liability claim, we may:

- arrange for a lawyer to represent you or we may act on your behalf;
- attempt to settle the claim; and/or
- defend the claim.

We will decide whether to defend or settle the claim and how much to pay to settle the claim.

Preventing our right of recovery

If *you've* agreed with or told someone who caused *you* loss, *damage* or liability covered by *your* policy that *you* won't hold them responsible then, to the extent *we've* been prejudiced by this act, *we* won't cover *you* for that loss, *damage* or liability.

Providing proof of ownership and value

In some cases we will ask you for proof that you owned the items you're claiming for and for documents or other information to assist us in assessing their value. Whether we ask for proof and, if we do, the types of documents we ask for, may depend on the situation. So that your claim can be assessed, make sure you keep things like:

- receipts or tax invoices;
- credit card or bank statements;
- guarantee or warranty certificates;
- valuation certificates for jewellery, collections and artworks;
- photographs or video film of the item(s) in your home or being worn by you.

If, however, your proof of ownership was destroyed in a fire, we may accept other evidence of ownership.

If, after reviewing all the evidence about *your* claim that has been provided to *us*, *we're* not satisfied that *you* actually owned the items, *we* may refuse to pay *your* claim.

How we settle claims

We only pay once for loss or *damage* caused by the same event covered by this policy even if that loss or *damage* is covered under more than one section of the policy.

How we settle buildings claims

We'll normally pay our supplier the necessary and reasonable cost to repair, replace or rebuild the damaged parts of the buildings to a condition substantially the same as, but not better than, when new. Where this happens, you'll receive our **Lifetime guarantee** on buildings repairs.

If you don't use our supplier

We will pay you the reasonable cost to repair, replace or rebuild the damaged parts of your buildings to a condition substantially the same as but not better than when new if, for example:

- you decide to:
 - rebuild to a better standard; or
 - sell the land at the property address; and/or
 - rebuild elsewhere:
- if it's not practical for us to repair, replace or rebuild your buildings due to the age, policy limit, inadequate sum insured, construction or condition of your buildings or if materials needed for repairs are not readily available; or

If you don't use our supplier (continued...)

if you choose to go with a supplier (which includes a repairer or builder) of your choice.

To assess the cost of the necessary work required to repair, replace or rebuild the *damaged* parts of *your buildings we* will, where possible, obtain a *scope of works* and a quote from *our* supplier. If *you* agree with this, *we* will then pay *you* the amount quoted by *our* supplier.

If you're not happy with the amount quoted by our supplier, or if we're unable to obtain a scope of works from our supplier, we'll ask you to provide us with a fully itemised scope of works and quote from a supplier of your choice for us to consider. We'll review these to ensure they cover the necessary work and are within market rates. To determine this, we'll consider the following:

- our supplier's scope of works and quote (if we were able to obtain it);
- our own data and experience with similar repairs, replacements or rebuilding;
- third party cost estimation sources; and
- your circumstances, including the location and attributes of your buildings.

Following our review, we'll do one of the following:

- If we believe your supplier's scope of works and quote cover the necessary work and are within market rates, we'll pay you the amount quoted by them.
- If we believe your supplier's scope of works either omits or overstates aspects of the work required or their quote is significantly above market rates, we'll discuss this with you and/or them and seek agreement on the scope of works and quote.
 - If we come to an agreement with you or your supplier, we'll pay you the amount agreed.
 - If we're still unable to agree with you on the amount we'll pay you, we'll attempt to
 obtain a scope of works, quote or report (as required) from an alternative supplier
 we both agree on, and we'll review these together with you to arrive at a final scope
 of works and quote. If we're able to come to an agreement, we'll pay you the amount
 quoted by them.
 - If we're unable to agree on an alternative supplier, we believe the alternative supplier's scope of works either omits or overstates key aspects of the work required, or we believe their quote is significantly above market rates, we'll refer you to our complaints process.

When we pay you the reasonable cost to repair, replace or rebuild the damaged parts of your buildings, you will not be eligible for our **Lifetime guarantee on buildings repairs** because we won't have appointed the supplier or managed the works.

If your buildings sum insured is inadequate, we will only pay up to the sum insured or any applicable standard policy limits.

Internal buildings damage

Damage to internal flooring

(excludes carpets these are covered as contents) We'll pay to repair or replace up to an existing change or join in the flooring, or an archway, doorway or similar opening, whichever is closest to the damage.

We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide.

This is a common width of a doorway.

This includes

damage and injury.

We won't pay to replace any undamaged materials in any other adjoining rooms, hallways or stairwells.

Internal buildings damage (continued...)

Damage to internal walls	We'll pay to repair or replace the damaged wall(s). We won't pay to replace the wall covering, for example wallpaper or paint on any adjoining walls or in any adjoining rooms, hallways or stairwells.		
Damage to internal fixtures/ fittings	We'll pay to repair or replace fitted cupboards, sections of cabinets and sections of benchtops if they are continuously joined to, and made of the same material as, the damaged part.		

Matching materials

If part of *your* home is *damaged* or destroyed by an Insured Event and *we* pay *your* claim, or one of *our* suppliers has caused *damage* during exploratory work to locate the source of escaped water or other liquid, *we'll* match existing materials if they're commercially available in Australia when *we* repair, replace or rebuild the *damaged* property.

If not, we'll use the nearest equivalent materials that we can source locally. In this case, if the damage is inside your buildings, we will also pay up to \$1,000 to replace undamaged parts of the same room, hallway or stairwell (to the nearest doorway, archway, or other opening) so that it matches or complements the materials we've used. We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide (this is a common width of a doorway). If you're not satisfied with the nearest equivalent materials we source, we will pay you what it would have cost to repair, replace or rebuild with these materials.

Delays in repairing, replacing or rebuilding

If you delay repairing, replacing or rebuilding, for example by unreasonably delaying to review and approve documents necessary to effect the repair, replacement or rebuilding, for more than six months from the date when the claim was approved, we'll only pay the reasonable cost that would have been incurred to repair, replace or rebuild your buildings at the time the claim was approved. You may have to pay any increase in cost caused by your delay.

If you believe that, due to special circumstances, you have a reason to delay the repair, replacement or rebuilding for more than six months, we will give consideration to those circumstances, and we may:

- not charge you for any increase in cost caused by the delay; or
- pay the reasonable cost that would have been incurred to repair, replace or rebuild your buildings at the time the claim was approved.

Claims

Rebuilding at an alternative location

If your buildings are a total loss, you may choose to rebuild at another site in Australia. We won't pay you more than it would have cost to rebuild at your property address.

Lifetime guarantee on buildings repairs

We closely monitor the performance of *our* suppliers to help ensure the best outcome for *our* insureds. This enables *us* to quarantee that if *we* have:

- selected and authorised a supplier to replace, repair or rebuild your buildings; and
- paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work;

and a defect arises in the lifetime of *your buildings* as a result of poor-quality workmanship or use of incorrect or poor-quality materials, *we'll* rectify the problem by arranging, authorising and paying for further replacement, repair or rebuilding.

If we have selected and authorised a supplier to replace, repair or rebuild your buildings and we are satisfied that the work requires rectification to such an extent that your home is unfit to live in, we'll arrange and pay the reasonable costs of temporary accommodation until the home is fit to live in.

We will also handle any complaint about the quality or timeliness of the work or conduct of the supplier as part of *our* complaints handling process.

This guarantee does not apply to:

- replacements, repairs or rebuilding that you arrange, authorise or make yourself (even
 if we give you the name of a possible supplier (which includes a repairer or builder)
 who is involved with the repair, replacement or rebuilding);
- home replacement, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you or a supplier a cheque or other form of payment for all or part of the repair cost);
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of your home; or
- wear and tear consistent with normal gradual deterioration (e.g. paint peeling as part
 of its normal life cycle, wood rotting or mould from moisture in the air or ground, roofs
 weathering or a hot water system leaking as a result of normal gradual deterioration).

Fences

When we pay a claim for damage to a shared or dividing fence, we will pay no more than your proportion of costs for the repair or replacement in accordance with the relevant legislation relating to dividing fences, for example Dividing Fences Act or Dividing Fences and Trees Act or any similar legislation. Typically, your proportion of the cost will be 50% of the repair or replacement cost of the fence.

If there is no legislation in place in relation to the amount that *you* are liable for, with respect to the repair or replacement of dividing fences, then *we* will pay no more than 50% of the cost of repair or replacement of the shared or dividing fence.

However, we will pay the full cost to repair, rebuild or replace the fence if:

- there's no neighbour who is liable to share the cost of repairing, rebuilding or replacing the fence; or
- the damage to the fence was caused by an Insured Event at your property address and you're liable to pay the full cost of repairing, rebuilding or replacing the fence.

We will pay no more than the cost to repair, rebuild or replace a fence of the same quality and specification as the fence which was *damaged*.

The most we'll pay

The most we'll pay is your buildings sum insured plus any Standard Features payable on top of the buildings sum insured, less any applicable excesses.

Your buildings sum insured may be increased through the application of the **Sum(s)** insured adjustment feature or, if it's shown on your Certificate of Insurance, the **Buildings Sum** Insured Safequard.

How we settle contents claims

If a *damaged* item can be repaired, *we'll* normally pay *our* repairer the necessary and *reasonable cost* to repair *your contents* item to a condition substantially the same as, but not better than, when new.

If it's not economical to repair the item, or it's been lost or stolen, *we'll* replace the item with a new one that's substantially the same where it's practical to do so.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

Claims

If you don't use our repairer, or we can't repair or replace the item

We will pay you the reasonable cost to repair or replace the lost, stolen or damaged contents to a condition substantially the same as, but not better than when new if, for example:

- you decide to replace those contents with items that are not substantially the same;
- you decide you do not want the contents repaired or replaced;
- it's not practical for us to repair or replace your contents due to the age, style, type, condition or nature of your contents or if materials or skills needed for repairs are not readily and locally available; or
- you choose to go with a repairer of your choice.

If you don't want an item repaired we will not pay to replace it; we'll pay what it would have cost to repair it. See How the amount we'll pay is determined if the item is repairable, below.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

How the amount we'll pay is determined if the item is repairable

To assess the necessary work required to repair *damaged contents* items *we* will, where possible, obtain a report or quote from *our* repairer. If *you* agree with this, *we* will then pay *you* the amount quoted by *our* repairer.

If you're not happy with the amount quoted by our repairer, or if we're unable to obtain a report or quote from our repairer, we'll ask you to provide us with a report or quote from a repairer of your choice for us to consider. We'll review this to ensure it covers the necessary work and is within market rates. To determine this, we'll consider the following:

- our repairer's report or quote (if we were able to obtain it);
- our own data and experience with similar repairs;
- third party cost estimation sources; and
- your circumstances, including the location and attributes of your contents.

Following *our* review, *we'll* do one of the following:

 If we believe your repairer's report or quote covers the necessary work and is within market rates, we'll pay you the amount quoted by them.

How the amount we'll pay is determined if the item is repairable (continued...)

- If we believe your repairer's report or quote either omits or overstates aspects of the
 work required or their quote is significantly above market rates, we'll discuss this with
 you and/or them and seek agreement on the report or quote.
 - If we come to an agreement with you or your repairer, we'll pay you the amount agreed.
 - If we're still unable to agree with you on the amount we'll pay you, we'll attempt to
 obtain a quote or report from an alternative repairer we both agree on, and we'll
 review this together with you to arrive at a final quote. If we're able to come to an
 agreement, we'll pay you the amount quoted by them.
 - If we're unable to agree on an alternative repairer, we believe the alternative repairer's report or quote either omits or overstates key aspects of the work required, or we believe their quote is significantly above market rates, we'll refer you to our complaints process.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

How the amount we'll pay is determined if the item is not repairable

For replacement items that are readily available including tools, devices and appliances, we will pay you an amount equal to the lowest price available to you from a reputable commercial retailer at the time we settle the claim.

If an item is not readily available, *we'll* pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time *we* settle the claim for an equivalent item with similar specifications and functionality.

How the amount we'll pay is determined if the item can't be replaced

If we can't repair the item, or it can't be replaced because of its antiquity or rarity, we'll pay the lesser of:

- the standard policy limit or, if it's a Specified Contents item or a Specified Portable Contents item, the specified limit noted on your Certificate of Insurance; and
- the fair market value based on enquiries made to independent and appropriately experienced or qualified professionals.

If *your* contents sum insured is inadequate, *we* will only pay up to the sum insured or any applicable standard policy limits.

Claims

The most we'll pay

The most we'll pay in total for your contents is your contents sum insured, plus any Standard Features payable on top of the contents sum insured, less any applicable excesses.

The most we'll pay in total for your Portable Contents is your Portable Contents sum insured.

Your contents sum insured may be increased through the application of the Sum(s) insured adjustment feature.

There are limits on what we'll pay for some individual items:

- · we're unable to reasonably match it; or
- the functionality of the set or pair is lost (e.g. hearing aids/sporting equipment)

you can choose to either:

- surrender the remaining item(s) to *us*, in which case *we'll* pay the replacement value of the *set or pair*, up to any applicable limit; or
- keep the remaining item(s), in which case we'll pay the replacement value of the lost or damaged item.

We don't allow for any special value the item may have as forming part of a *set or pair*, or for any reduction in value of the remaining part(s).

Excesses

In most cases, you'll need to contribute an amount towards the cost of any claims that are accepted. Your contribution may be made up of one or more of the following excess types. There may be other excesses that apply in special circumstances. The excess types and amounts that apply to your policy will be shown on your Certificate of Insurance. For additional information about excesses and how they apply to your policy, read our Home Insurance Additional Information Guide at qbe.com/au or call us on 133 723 for a copy at no charge by us.

How we collect the excess

When an excess applies to *your* claim, *we'll* let *you* know when and how to pay the excess as this will depend on how *your* claim is settled. For example:

- If we repair or rebuild your property, we'll normally ask you to pay the excess to the repairer or supplier before they start the work.
- If we replace your property, we'll normally ask you to pay the excess to the supplier of the replacement item.
- In some instances, we'll ask you to pay your excess to us such as where a supplier is not able to accept an excess payment.
- If we pay you the reasonable cost to repair or replace your property, we will deduct the excess from the amount we pay you.

Pay your excess as soon as practicable, or call us should circumstances prevent you from paying your excess.

Paying your premium

Your premium is the cost of *your* policy. It is the amount *we* set by taking into account things like the chance of *you* making a claim under *your* policy, the options *you've* chosen as well as other factors including *our* costs of doing business. *Your* premium also includes GST and other applicable government fees, duties and charges.

We'll let you know how much premium you need to pay us, how to pay it and when. You must pay us your premium on time to stay covered. For more information about how we set your premium, read our Home Insurance Additional Information Guide at **qbe.com/au** or call us for a copy at no charge by us.

We offer you several ways to pay your premium, including by direct debit which is explained below.

Paying by direct debit

You can choose to pay your premium annually or in instalments by direct debit.

If you choose to pay by direct debit, you authorise us to debit your nominated account for the agreed premium. If the scheduled debit date shown on your Certificate of Insurance is a NSW public holiday or bank holiday, we'll debit your account on the next business day. We'll give you at least 14 days' notice if we change the way the direct debit of your policy works.

Check with your financial institution whether your account allows direct debits.

You need to make sure *your* nominated account details are correct and up to date. This includes advising *us* of the expiry date of a payment card or a change to the payment method. If *your* nominated account details change *you* must tell *us* at least seven days before the next instalment is due to allow *us* to process the change in time.

You need to have enough funds in *your* nominated account to allow *our* scheduled debit. If *you* don't, *you'll* be responsible for any fee or interest charged by *your* financial institution. *You* can also choose to stop *your* direct debit by contacting *your* financial institution.

Important - what happens if your direct debit fails

If you've chosen to pay your premium annually by direct debit and we don't receive your payment on time, we may cancel your policy as permitted by law and refuse to pay a claim.

If you've chosen to pay your premium by direct debit instalments and an instalment remains unpaid for one month or more, we may cancel your policy and refuse to pay a claim.

Renewing your policy

If we invite you to renew your policy, we'll send you a renewal Certificate of Insurance. If you make any changes to your policy after we send you our renewal invitation, and we have agreed to continue to insure you, we'll send you an updated renewal invitation. You'll need to pay us any additional premium to ensure your cover is not affected.

If you pay your premium by direct debit

If *you* pay *your* premium by direct debit and *we* invite *you* to renew *your* policy, **we'll continue to debit** *your* **premium payments**, either annually or in instalments, whichever *you've* previously chosen.

If you don't want to renew, you must tell us at least seven days before your policy's end date so that we can arrange for the direct debit to stop in time.

Adjustment of premium on renewal

If you make any changes to your policy after we send you our renewal invitation, and we have agreed to continue to insure you, we'll send you an updated renewal invitation. You'll need to pay us any additional premium to ensure your cover is not affected.

A claim on your policy may affect your renewal premium.

If you have a claim, contact us as soon as you can after the incident - see **What** you must do after an incident. To avoid your claim being delayed, reduced or refused you must not unnecessarily delay notifying us of the incident - see **What you must not do after an incident**. If you were in difficult circumstances that prevented you from telling us about the claim, let us know.

If we send you a renewal invitation and the premium doesn't take into account a claim on your policy, you agree to pay us any additional premium we would have charged if we had known about that claim.

Adjustment of premium on renewal (continued...)

If you tell us about the claim before your renewal takes effect and we agree to continue to insure you, we may apply specific conditions to your policy (including applying an Imposed Excess) and/or recalculate your renewal premium and send you an updated renewal invitation.

If your policy has already renewed, we may ask you for an additional premium. If you're paying in instalments, any remaining instalments will be adjusted to reflect the additional premium. If you've already paid your renewal premium in full, you'll need to pay us any additional premium to ensure your cover is not affected. If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, we may:

- deduct the outstanding premium amount from a claim payment; or
- cancel your policy (see Cancelling your policy).

If it was reasonable in the circumstances for *you* to be unaware that *you* had a claim until after *we* issued *your* renewal invitation, *we* will not ask *you* to pay the additional premium for that renewal period however the claim may affect *your* future renewal premiums and/ or future policy conditions (including the application of an Imposed Excess).

Please note we may have other rights under this policy or as permitted by law, depending on the circumstances.

Cancelling your policy

You can cancel your policy at any time by telling us.

We can cancel your policy as permitted by law, for example, if you do not pay us your premium or if you told us something that you knew to be incorrect or untrue during your application for cover.

We can also cancel your policy if your circumstances change and no longer fall within our underwriting rules. See **Tell us when these things change**.

If you've paid your premium in advance and your policy is cancelled, we'll refund you the proportion of the premium for the remaining period of insurance, less any non-refundable government fees, duties or charges. But see **Cooling-off period** where you may be entitled to a full refund.

If you make a fraudulent claim on your policy, we can cancel it and we won't provide any refund.
